****Hey Guys!****

****So I've read a bunch of HTTYD watching the movie fanfics, and I thought I would give mine own a go!
>So enjoy, and please review!**

****Chapter One****

Hiccup stared at the Astrid. She had just kissed him on the cheek, and his head was buzzing. She smiled at him.

"That's for... everything else." She said, before running off. Hiccup turned away from her and saw Toothless, the only tame Night Fury in the world, staring at him.

"What?" he said, and the black dragon huffed and turned back to the water. That was when a bright golden light appeared and the two were engulfed in the light. They fell into a large room, and Hiccup saw that the entire village had been transported there. He also noticed that Astrid was motionining behind him. Hiccup turned and saw dragons of all types gathered behind him. In front of them, pretending he didn't notice hiccup or Astrid, was Toothless.

"A Night Fury!" Stoick shouted, and every Viking drew their weapons.

Astrid pulled Hiccup out of the way, and every dragon got into a fighting stance. Stoick yelled a battle cry and rushed forward.

"Stop!" a young voice startled everyone. A girl appeared on the ground, wearing black leggings, red fuzzy socks, and a red sweatshirt that said SHA. Her dark brown hair was gathered into a low ponytail. She glared disapprovingly at the Vikings.

"Do not hurt them. They're here on my invitation, as are you. I don't like it when my guests fight." she said, and snapped her fingers. Every weapon, except for Hiccup's knife, and Astrid's axe disappeared. Snotlout grinned at the girl.

"Do you have a map? Cause I'm getting lost in your eyes." he said smoothly. The girl huffed and rolled her eyes.

"I've heard that one before. My name is Enchantress, and I have called you all here to watch moving pictures called a movie. It's called How To Train Your Dragon." she said, and Hiccup gulped. With a name like that, and seeing as the entire village was here, that meant that it had to be about him and Toothless. He squirmed uncomfortably. Toothless noticed this and wanted so much to go over and comfort his rider, but Enchantress shook her head at him.

"Why would anyone want to train a beast?" Tuffnut said, and Hiccup began to shiver, thinking of what his father would say. Enchantress noticed this, and walked over and placed a hand on his shoulder, smiling at him. He took a deep breath.

"I hope that you enjoy this. And dragons," she said and turned to the dragons, "no matter what happens, do not hurt this boy. or the blonde girl next to him." the dragons seemed surprised at the order, but nodded. Enchantress smiled and disappeared. A large black screen appeared on the middle wall, and it came to life.

So? Do you like it so far?

2. The Movie Begins

****Hey Guys!****

****Here's a second chapter!****

****Enjoy!****

****Disclaimer- I don't own HTTYD****

****Chapter Two****

The hall grew quiet as a picture began to appear on the

screen.

**EXT. NORTH SEA/VILLAGE - NIGHT**

_** We skim above a dark, wild ocean. The camera turns toward
a**_

** lone island, Berk. It is a gigantic shard of rock jutting**

** straight out of the water.**

** HICCUP (V.O.)**

_ This, is Berk. _

The Hall started as they heard Hiccup's voice come to them from the screen. Toothless picked his head up from where he had it in his paws when he heard his rider's voice, put then put it down again, realizing it wasn't the real Hiccup. More than one viking noticed this action by the large dragon.

_ It's twelve days_

_ North of hopeless, and a few_

_ degrees South of freezing to death._

_ It's located solidly on the_

_ meridian of misery._

The Teens snorted at the description, accurate as it was. Who knew that this was Hiccup the screw-up talking?

_ **The camera drifts over rolling hills to reveal a small**_

_ village nestled on an outcropping of sea mounts._

_ ** HICCUP (V.O.) (CONT'D)**_

_ My village. In a word, sturdy._

_ And it's been here for seven_

_ generations, but every single_

_ building is new._

Snotlout saw an opportunity to tease his cousin, as usual.

"Why wouldn't they be new? Those foul monsters always destroy them. But ten again, you do most of the damage yourself so..." he said, laughing, along with the twins. Astrid frowned and so did Fishlegs. Toothless picked his head up again, and let out a low growl, though most people thought it was because Snotlout called them monsters. Hiccup sighed and turned back to the screen. Toothless stared at his rider, and saw tears in his eyes. He let out another growl, but this one was more nurturing, more kind, and Hiccup secretly smiled, as did Astrid.

"Snotlout, you can make fun of Hiccup later. Let's watch the movie now." she said, and they all turned back to the movie. Hiccup smiled at Astrid, and she smiled back and the two turned back to the screen.

_ **The camera drifts closer, circling.**_

_ ** HICCUP (V.O.) (CONT'D)**_

_ We have fishing, hunting, and a_
_ charming view of the sunsets. The_
_ only problems are the pests. You_
_ see, most places have mice or_
_ mosquitoes. We have..._

"What? What do we have?" Tuffnut said, and everyone groaned.

"Dragons you idiot! You know, those bug ugly things over there?" Snotlout said, pointing to the dragons, all of whom growled loudly.

_ Sheep graze peacefully on a hillside. Suddenly one is_

_ snatched._

_ ** CUT TO:**_

** INT. STOICK'S HOUSE - CONTINUOUS**

_ ** A door is pulled open... as a DRAGON swoops directly toward**_

** it, BLASTING FIRE. The door is SLAMMED. The fire shoots**

** through the slats of wood, illuminating HICCUP, a gangly**

** teenage Viking.**

Everyone looked from on-screen Hiccup to the real Hiccup, and nodded once they saw the same person. Hiccup smiled at his self on the screen.

"Yup. That's me all right!"

_ HICCUP_

_ ...dragons._

_ ** EXT. STOICK'S HOUSE**_

_ ** He reopens the sizzling door, as leaps off of the front**_

** porch. He weaves through the erupting mayhem as Vikings pour**

** out of the buildings, ready for a fight.**

** More dragons swarm in, setting rooftops alight and hauling**

** off sheep.**

_ ** HICCUP (V.O.)**_

_ Most people would leave. Not us._

_ We're Vikings. We have stubbornness_

_ issues._

All the vikings glared at Hiccup. He shrugged, while most kids would shiver under the glare of that many large men and women.

"It's true. Normal people would have left, or even tried to create a peace with the dragons." he said, glancing in the dragon's direction, especially Toothless's, and Stoick laughed.

"Who would want to have a treaty with those monstrosities?" he asked, and Hiccup sighed. Some people, unlike Astrid, couldn't be changed.

_ ** Vikings sound the alarm. Viking men and women pour out into**_

_ the streets, axes in hand._

_ ON HICCUP darting through alleys, staying under eaves, making_

_ his way through the battle._

_ ** HICCUP (V.O.) (CONT'D)**_

_ My name's Hiccup. Great name, I_

_ know. But it's not the worst._

_ Parents believe a hideous name will_

_ frighten off gnomes and trolls._

_ Like our charming Viking demeanor_

_ wouldn't do that._

The dragons did their version of a laugh, and Hiccup and Astrid joined them, to the viking's surprise.

_ ** Dragons sweep back and forth, dodging axes and blasting the**_

_ Vikings who throw them. A burly warrior gets tossed in an_

_ explosion, knocking Hiccup to the ground._

_ ** VIKING**_

_ (FIERCE)_

_ Argggghhhhh!_

_ (cheery, insane)_

_ Mornin'!_

_ **Hiccup gets to his feet and continues to rush past
gigantic**_

_ men and women._

"That's one of the perks of not weighing ten hundred pounds" Hiccup
said, and the teens laughed, much to his own surprise. Usually they
laughed at him, and not with him.

_ ** HICCUP (V.O.)**_

_ Meet the neighbors. Hoark the_

_ Haggard..._

_ ** HOARK**_

_ What are you doing out!?!_

_ **HICCUP**_

_ ... Burnthair the Broad..._

_ ** BURNTHAIR**_

_ Get inside!_

_ ** HICCUP**_

_ ... Phlegma the Fierce..._

** PHLEGMA THE FIERCE**

_ Get back inside!_

_ ** HICCUP**_

_ . Ack._

_ He passes a silent ox of a viking, picking his ear._

The Vikings laugh, including the latter, bright red in the face, but
laughing, none the less.

** HICCUP (CONT'D)**

_ Yep, just Ack._

_ ** Enter STOICK, the biggest Viking of all. He yanks Hiccup
from**_

** the path of a strafing dragon and holds aloft to the crowd.**

_ ** STOICK**_

_ Hiccup!?!_

_ (accusingly; to the crowd)_

_ What is he doing out again?!_

"Why would he care?" Hiccup muttered to Astrid. She placed a hand on his arm.

"It's okay Hiccup. You have me and Toothless now." she said, and Hiccup smiled at her, then to his dragon, who flashed a gummy one back.

_ (TO HICCUP)_

_ What are you doing out?! Get_

_ inside!_

_ The flames light up his scowling face and matted red beard._

_ He sets Hiccup down and turns to the sky, searching._

_ ** HICCUP (V.O.)**_

_ (IN AWE)_

_ That's Stoick the Vast. Chief of_

_ the tribe. They say that when he_

_ was a baby he popped a dragon's_

_ head clean off of its shoulders._

_ Do I believe it?_

_ ** Stoick grabs a wooden cart and hurls it, knocking the**_

_ strafing dragon out of the sky._

** HICCUP (V.O.) (CONT'D)**

_ Yes I do._

The real Hiccup snorted._ "Yeah right. He's not that great."_ he thought, then turned his attention back to the movie.

_ ** An EXPLOSION forces Vikings to DUCK. Stoick stands firm,**_

_ brushing flaming debris off of his shoulder._

_ ** STOICK**_

_ (barking; to his men)_
_ What have we got?_
_ **VIKING #1**_
_ Gronkles. Nadders. Zipplebacks. Oh,_
_ and Hoark saw a Monstrous_
_ Nightmare._
_ ** STOICK**_
_ Any Night Furies?_
_ VIKING #1_
_ None so far._
_ ** STOICK**_
_ (RELIEVED)_
_ Good._

Toothless did his version of a snort, which was snorting blue flames out his nostrils. Hiccup found it hard to contain his laughter, as did Astrid.

_ ** VIKING**_
_ Hoist the torches!_
_ ** Massive flaming braziers are raised on poles, lighting up the**_
_ night sky... and revealing swirling dragons of all types._
_ Below, Hiccup crosses an open plaza and ducks into an open_
_ building with a tall chimney._

The Hall watched as the screen faded to black.

"We're going to have a little break now. Feel free to explore, but you will be transported back here once the movie will continue." Enchantress' voice said, and everyone got up and stretched. Hiccup motioned for Astrid to follow him, and they walked out to a small, enclosed garden, where Toothless soon joined them. Hiccup sighed as he and Astrid were wrapped in Toothless's wings.

"What are we going to do?' he asked, and Astrid shrugged.

"Well, if this movie is our points of view, than they'll find out that you set him free soon." she said, and Hiccup sighed again. They trio sat there for the rest of the break, just sitting together and thinking. Little known to them, a person was watching the three. Fishlegs stared in shock as Hiccup, the skinniest viking in the

village, Astrid, the toughest girl in the village, and the most dangerous dragon in the known world, a Night Fury, sat together, huddled tightly. Imagin what the others would think if he told them.

****Chapter Three****

Hiccup and Astrid walked back together into the large room. They were the only people there, besides a very uncomfortable Fishlegs and a Gronkel. Toothless entered through the other door and they sat down. Hiccup turned to Fishlegs.

"So what did you do during the break?" he asked.

"Well, I just walked around a bit, and went into some of the gardens." he responded, not saying what he had seen. The screen began to flicker as all the others began to our in, and they all sat down when it burst to life.

INT. BLACKSMITH STALL - CONTINUOUS

_ ** He crosses behind a counter, where a peg-legged, one-armed _**

****_ hulk of a Blacksmith reshapes blades with a hammer and tongs_****

****_ appendage._****

_ ** GOBBER _**

_ Ah! Nice of you to join the party._

_ I thought you'd been carried off._

"Thanks for the concern, Gobber." Hiccup said dryly. The blacksmith chuckled.

"Any time Hiccup. Anytime."

_ ** Hiccup dons a leather apron and starts to put away Gobber's**_

_ scattered appendages._

"You really need to clean up after yourself Gobber." Hiccup said. Gobber glared at him as the teens laughed. Toothless chuckled, looking over at his rider, wishing they could be together.

_ ** HICCUP**_

_ Who me? Nah, come on! I'm way too_

_ muscular for their taste. They_

_ wouldn't know what to do with all_

_ this._

_ ** Hiccup strikes a bodybuilder pose.**_

Snotlout snorted.

"Oh please. They wouldn't know what to do with all this." he said, and struck the same pose as on-screen Hiccup. The Gronkle who had been with Fishlegs in the beginning barfed up magma. Hiccup, Astrid, and Fishlegs roared with laughter. Snotlout scowled.

"You can't laugh. At least I actually have muscles, Fishbone. You're just a big, dopey, nobody who never does anything right, and who always makes a mess of..." Snotlout seethed, but he never got to finish. Hey, you try to finish talking when you have a fully grown Night Fury on top of you! Snotlout gulped as Toothless' eyes narrowed at him, and the whistling came. Hiccup jumped up, while Astrid looked some what... disappointed?

"Toothless, NO!" he yelled, and the whistling stopped as the dragon put his head down, and glanced at Hiccup. Hiccup was about to go to him, but that was when the largest vikings jumped on to of the Night Fury and pinned him down.

"No!" Hiccup and Astrid yelled. Another flash of light, and Enchantress appeared in front of the pile, frowning.

"Leave the poor dragon alone. Now." she said, and Toothless was let up. He walked over to Enchantress and she scratched his ears. She whispered something in his ear and he gave her a gummy smile, and walked back to his space. Everyone stared at the girl in the middle of the room. She glared at the ones who had pinned down Toothless, and then she turned to Hiccup and Astrid.

"Soon. Don't worry. Soon." she said, than the Enchantress

disappeared. The two sighed, and sat back down. Snotlout stood up and glared at the dragons before sitting down.

_ ** GOBBER**_

_ They need toothpicks, don't they?_

_ ** Hiccup gets to work, transferring bent and chipped weapons to**_

_ the forge as Vikings crowd the counter for replacements._

_ HICCUP (V.O.)_

_ The meathead with attitude and_

_ interchangeable hands is Gobber._

_ I've been his apprentice ever since_

_ I was little. Well...littler._

Stoick smiled as he remembered the small, six-year old hiccup. When he took him to Gobber's shop for the first time, the boy had laughed and taken to it right away. he really was gifted with metal.

_ ** EXT. VILLAGE - CONTINUOUS**_

_ ** ON STOICK**_

_ ** STOICK**_

_ We move to the lower defenses._

_ We'll counter-attack with the_

_ catapults._

_ ** HICCUP (V.O.)**_

_ See? Old village. Lots and lots_

_ of new houses._

The teens, bar Snotlout, laughed at Hiccup's calm humor.

"How do you do it?" Tuffnut asked.

"I had a lot practice. I had to have jokes to hide my hurt feelings." he simply stated, and the the twins fell into a shamed silence.

_ VIKING_

_ FIRE!_

_ In response, the fire brigade charges through the plaza -_

_ four TEENS, tugging a large wooden cask on wheels. From it,_

_ they fill buckets of water to douse the flames. One among_

_ them is a cute, energetic Viking girl._

_ Hiccup leans out of the stall to watch her._

_ ** HICCUP (V.O.)**_

_ Oh and that's Fishlegs, Snotlout._

_ The twins Ruffnut and Tuffnut._

_ And..._

_ (DREAMY)_

_ Astrid._

The said girl looked at Hiccup, and saw him looking at his hands. She blushed, thinking of the way he said her name, and then thought of the kiss she had given to him. Hiccup looked up, and saw her looking at him. He smiled at her, and she smiled back, with red cheeks.

_ A SLOW-MOTION explosion erupts behind her, framing her in a_

_ sexy ball of fire. The others join her, looking awesome and_

_ heroic._

"We look so cool!" Fishlegs said, and the others agreed.

_ ** HICCUP (V.O.) (CONT'D)**_

_ Their job is so much cooler._

_ ** Hiccup tries to join them as they pass, but he's hooked by**_

_ Gobber and hoisted back inside._

_ ** HICCUP (CONT'D)**_

_ (PLEADING)_

_ Ah, come on. Let me out, please. I_

_ need to make my mark._

_ ** GOBBER**_

_ Oh, you've made plenty of marks._

_ All in the wrong places._

_ ** HICCUP**_

_ Please, two minutes. I'll kill a_

_ dragon. My life will get infinitely_

_ better. I might even get a date._

Astrid blushed again and looked, not at Hiccup, but at his dragon, who was watching her, and who gave her a knowing look. She smiled shyly, and he smiled back at her. it seemed that Toothless knew about her crush on Hiccup.

_ ** GOBBER**_

_ You can't lift a hammer. You can't_

_ swing an axe..._

_ ** Gobber grabs a bola (iron balls connected by rope).**_

_ GOBBER (CONT'D)_

_ ... you can't even throw one of_

_ these._

_ ** A Viking runs by and nabs it out of Gobber's hand, hurling it**_

_ at a dive-bombing Gronkle. The bola binds its legs, sending_

_ it into a heavy crash._

_ HICCUP_

_ (ready with the answer)_

_ Okay fine, but..._

_ He rushes to the back corner of the stall and presents a_

_ bizarre, wheel barrow-like contraption._

_ HICCUP (CONT'D)_

_ ... this will throw it for me._

_ Hiccup OPENS the hinged lid of the device. An arm springs up,_

_ equipped with twin bows. They prematurely launch a bola,_

_ narrowly missing Gobber... and taking out a Viking at the_

_ counter._

"Can we try it?" The twins asked excitedly, while Stoick paled, thinking of the village after the twins got a hold on Hiccup's machine.

"Nope. It got broken." Hiccup said, and Stoick's face went back to it's original color.

_ VIKING_

_ Arggh!_

_ ** GOBBER**_

_ See, now this right here is what_

_ I'm talking about._

_ ** HICCUP**_

_ Mild calibration issue._

_ ** GOBBER**_

_ Hiccup. If you ever want to get out_

_ there to fight dragons, you need_

_ to stop all..._

_ Gobber gestures in Hiccup's general direction._

_ GOBBER (CONT'D)_

_ ... this._

_ ** HICCUP**_

_ (ASTONISHED)_

_ But... you just pointed to all of_

_ me._

_ GOBBER_

_ Yes! That's it! Stop being all of_

_ you._

_ HICCUP_

_ (THREATENING)_

_ Ohhhh..._

_ GOBBER_

_ (MIMICKING)_

_ Ohhhhh, yes._

_ ** HICCUP**_

_ You, sir, are playing a dangerous_

_ game. Keeping this much,_

_ raw...Vikingness contained._

_ (BEAT)_

_ There will be consequences!_

_ Gobber tosses him a sword._

_ GOBBER_

_ I'll take my chances. Sword._

_ Sharpen. Now._

_ ** Hiccup takes it begrudgingly and lobbs it onto the grinding**_

_ wheel. He stewes... fantasizing..._

_ HICCUP (V.O.)_

_ One day I'll get out there. Because_

_ killing a dragon is everything_

_ around here._

Hiccup huffed. Not for him. He glanced at his best friend. He would never try to kill one of those magnificent beasts again.

_ ** EXT. VILLAGE - LOWER PLAINS - CONTINUOUS**_

_ Nadders land, gathering like seagulls around a seemingly_

_ vacant house._

_ ** HICCUP (V.O.)**_

_ A Nadder head is sure to get me at_

_ least noticed._

_ ** The Nadders clamber onto the building, tearing the roof and**_

_ walls apart. Sheep pour out and SCATTER._

_ Elsewhere, hippo-like Gronckles pick drying racks clean of_

_ fish and fly off like loaded pelicans._

_ HICCUP (V.O.) (CONT'D)_

_ Gronckles are tough. Taking down_

_ one of those would definitely get_

_ me a girlfriend._

This time, it was Astrid who huffed. Hiccup glanced at her, and, in a spurt of bravery, he took her hand. She smiled and squeezed it.

"Maybe training a dragon can get me a girlfriend." Hiccup thought.

_ the first._

The screen went black as Snotlout began to laugh again.

"Yeah right, Wimp! I'll be the one to catch that big brute. Watch this!" Snotlout wrestled Hiccup's knife from him, and ran at Toothless.

"No!" Hiccup shouted. Snotlout never got to his dragon, though, because a large field surrounded the Night Fury. Snotlout was thrown backwards.

"I said to leave him alone!" Enchantress appeared on the screen. She glared at Snotlout, and suddenly, his backside sought on fire. As he began to run around screaming, Enchantress nodded to Hiccup and Astrid.

"You can go now. Snotlout, if you ever try to harm Toothless, or Hiccup and Astrid, again, more than your backside will catch fire." she seethed, and the screen went blank. Toothless ran over and jumped on top of Hiccup. While most people screamed, Hiccup and Astrid laughed. Toothless let his rider up, and him, Hiccup, and Astrid walked back over to the dragon side and sat down, much to the Viking's surprise. The two cuddled into Toothless' warm and safe atmosphere.

****Chapter Four****

After Hiccup and Astrid sat inside Toothless' wing, Stoick stood.

>"Get away from that kids." he said. Hiccup and Astrid looked at each other, then at Toothless. The trio began to laugh. Toothless snorted flames, which made Hiccup and Astrid laugh even harder. Stoick's face grew red as the group laughed.<p>

"How are you not afraid?" Ruffnut asked.

"He's my best friend. I saved his life, and he saved mine and is very protective of me, hence attacking Snotlout." Hiccup said. Before anyone could say anything else, the screen came on.

**IN THE STALL**

** Gobber trades his hammer for an axe.**

** GOBBER**

_ Man the fort, Hiccup, they need me_

_ out there!_

_ Gobber pauses. Turns with a threatening glare._

_ GOBBER (CONT'D)_

_ Stay. Put. There. You know what I_

_ mean._

"No, I don't Gobber. Could you please explain?" Hiccup joked, and Gobber just rolled his eyes and chuckled.

_ Gobber charges into the fray, HOLLERING._

_ ON HICCUP, a smirk crosses his face._

_ EXT. VILLAGE - MOMENTS LATER_

_ WHAM! Hiccup pushes his wheeled contraption through a wall of_

_ clustered Vikings. He weaves through the ongoing mayhem, as_

_ fast as his legs can carry him._

_ VIKING #6 (O.S.)_

_ Hiccup, where are you going!_

_ VIKING #7_

_ Come back here!_

_ HICCUP_

_ I know. Be right back!_

_ ON THE PLAIN BELOW_

_ The Nadders have cornered the house-full of sheep. They close_

_ in, ready to spring upon them._

_ Stoick suddenly appears, HURLING FISHING NETS over them. The_

_ surprised Nadders are caught. Stoick and his men rush in._

_ A Nadder blasts a hole through its net. Stoick leaps onto it,_

_ clamping his thick arms around its head, forcing its jaws_

_ shut._

_ STOICK_

_ Mind yourselves! The devils still_

_ have some juice in them._

"They. Are. Not. Devils. They are the strongest, most incredible creatures on any island in the world." Hiccup said through clenched teeth. Stoick, scared as he was of Toothless, couldn't conceal a snort. Toothless growled at him, and Stoick stopped instantly.

_ ON THE PLAIN ABOVE_

_ Hiccup reaches a cliff overlooking the smoking CATAPULT and_

_ drops the handles to the ground. He cranks several levers,_

_ unfolding and then cocking the bowed arms of his contraption._

_ He drops a bola onto a chamber and then pivots the weapon on_

_ a gimbal head toward the dark sky._

_ He listens, with his eye pressed to the scope, hand poised on_

_ the trigger. He hears the NIGHT FURY approaching... and turns_

_ his aim to the defense tower. It closes in for the final_

_ strike, completely camouflaged in the night._

_ HICCUP_

_ (TO HIMSELF)_

_ Come on. Give me something to shoot_

_ at, give me something to shoot at._

_ KABLAM! The tower topples. The blast of fire illuminates the_

_ dragon for a split second. Hiccup pulls the trigger._

_ KERTHUNK! The flexed arms SNAP forward, springing the weapon_

_ off the ground. The bola disappears into the sky, followed by_

_ a WHACK and a SCREECH._

Hiccup looked down at that part, glancing at Toothless's prosthetic tail. Toothless and Astrid looked at each other and rolled their eyes. Toothless whipped Hiccup in the side of the head with his tail and Astrid hit him on the arm.

"OW! What was that for?" He said, rubbing his arm, while trying to rub his head.

"For blaming yourself!" Astrid said angrily. Hiccup looked down again. He didn't notice his father slightly beaming at him for shooting down the most dangerous dragon in the entire known world. Astrid sighed and let Hiccup have his way, but not before kissing him on the cheek and putting her head on his shoulder. Hiccup smiled slightly and relaxed against his best friend.

_ HICCUP (CONT'D)_

_ (surprised, then elated)_

_ Oh I hit it! Yes, I hit it! Did_

_ anybody see that?_

_ Hiccup's victory is short-lived. A Monstrous Nightmare_

_ appears, slithering up over the lip of the cliff._

_ HICCUP (CONT'D)_

_ Except for you._

The other Teens laughed at his bluntness. Fishlegs glanced at Hiccup, and saw the Gronkel staring at him. He looked away quickly, but thought then about Hiccup and his dragon. It would be cool to have his own dragon, and he had always admired Gronkels.

_ ON STOICK, holding down the netted Nadders. He hears a_

_ familiar HOLLER and looks up to see..._

_ HICCUP running through the PLAZA, SCREAMING, with the_

_ NIGHTMARE fast on his heels._

_ Alarmed, Stoick abandons the Nadders and runs off._

_ STOICK_

_ (to his men, re: the_

_ NADDERS)_

_ DO NOT let them escape!_

"Yes! Let them escape!" Hiccup chanted, and Astrid smiled as Stoick scowled.

_ IN THE PLAZA_

_ Vikings scatter as Hiccup dodges a near fatal blast. The_

_ Nightmare's sticky, Napalm-like fire splashes up onto_

_ buildings, setting them alight._

_ Hiccup ducks behind the last standing brazier - the only_

_ shelter available. The Nightmare blasts it, spraying fire all_

_ around him. Hiccup peers around the smoldering post. No sign_

_ of the Nightmare._

_ He turns back to find it leering at him, blocking his escape._

_ It takes a deep breath. Hiccup is finished._

_ Suddenly, Stoick LEAPS between them, tackling the Nightmare_

_ to the ground. They tumble and wrestle, resuming their_

_ earlier fight. The Nightmare tries to toast him, but only_

_ coughs up smoke._

_ STOICK (CONT'D)_

_ You're all out._

_ He smashes the Nightmare repeatedly in the face, driving it_

_ away. _

Hiccup winced as the Nightmare was hit in the jaw. The dragons noticed this, and began to trust the small boy, who was sitting with the most respected of their race. A few Terrible Terros even mustered up the courage to crawl into the boys lap, and curl up there. Hiccup smiled and petted them as they purred softly.

It takes to the air and disappears. Winded, Stoick

_ turns to Hiccup._

_ HICCUP (V.O.)_

_ Oh, and there's one more thing you_

_ need to know..._

_ The burnt brazier pole collapses, sending the massive iron_

_ basket crashing. It bounces down the hill, destroying as it_

_ goes and scattering the Vikings who were holding down the_

_ netted Nadders. The freed dragons escape... with several_

_ sheep in tow._

_ HICCUP (CONT'D)_

_ Sorry, dad._

_ EXT. VILLAGE - UPPER PLAZA - CONTINUOUS_

_ ** The escaped Nadders fly past with sheep in their clutches.**_

_ The raid is over. The dragons have clearly won._

_ The murmuring crowd eyes Stoick, awaiting his response._

_ HICCUP_

_ (SHEEPISH)_

_ Okay, but I hit a Night Fury._

_ ** Stoick grabs Hiccup by the back scruff of his collar and**_

_ hauls him away, fuming with embarrassment._

****_ HICCUP (CONT'D)_****

_ It's not like the last few times,_
_ Dad. I mean I really actually hit_
_ it. You guys were busy and I had a_
_ very clear shot. It went down, just_
_ off Raven Point. Let's get a search_
_ party out there, before it-__

_ **** STOICK****_

_ -STOP! Just...stop._

****_ STOICK (CONT'D)_****

_ Every time you step outside,_

****_ Hiccup looks around. All eyes are upon him._****

****_ HICCUP_****

_ Between you and me, the village_
_ could do with a little less_

Hiccup laughed, along with his new dragon friends and, surprisingly,
the Teens, as the adults fumed.

_ ****A few rotund Vikings stir self-consciously.****_

****_ STOICK_****

_ This isn't a joke, Hiccup!_

_ ****(EXASPERATED)****_

_ Why can't you follow the simplest_
_ orders?_

_ ** HICCUP**_

_ I can't stop myself. I see a dragon_

_ and I have to just... kill it, you_

_ know? It's who I am, Dad._

"Not anymore. I'm not a dragon killer. And I never will be." Hiccup said.

"You are a Viking. That is who we are, and what you will become. Dragons are our enemies. Why are you so blind? Get away from those creatures and come ack to your family!" Stoick said, finally bursting. Hiccup stood up and faced his father.

"NOT ANYMORE! Watch this, and you will finally see why my new family is Toothless and the dragons." he said, and Toothless ran up next to him and Hiccup climbed onto his back, and Astrid came on behind him. Toothless took off and flew around the room, doing tricks and keeping his riders safe. Hiccup looked at Astrid and she rolled her eyes.

"Do it." she said. Hiccup smiled and scratched his best friend's head.

"Now bud!" he yelled, and Astrid jumped off his back. People screamed and many Vikings ran forward, but a person stood in their way.

"Just watch." Enchantress said. They did, biting their nails as Astrid came closer to the ground. Just in the nick of time, Toothless flew under her and caught her. The trio landed and Enchantress laughed and clapped her hands.

"I believe you have proven your point, Hiccup." she said, and Hiccup sat down along with Astrid, beaming hugely.

_ **STOICK**_

_ You are many things, Hiccup. But a_

_ dragon killer is not one of them._

_ ** Sting. Hiccup looks around to see many nods of agreement.**_

"Finally! They get it!" Hiccup says, and the dragons, along with Astrid, laughed, as the cheif scowled even more darkly.

_ STOICK (CONT'D)_

_ Get back to the house._

_ ** (TO GOBBER)**_

_ Make sure he gets there. I have his_

_ mess to clean up._

_ ** Stoick lumbers off in the opposite direction.**_

**_ Gobber leads Hiccup through the walk of shame. They pass
the_**

_ teen fire brigade as they snicker._

_ TUFFNUT_

_ Quite the performance._

_ **SNOTLOUT**_

_ I've never seen anyone mess up that_

_ badly. That helped!_

_ **HICCUP**_

_ Thank you, thank you. I was_

_ trying, so..._

_ ** Hiccup avoids Astrid's glare and heads up toward a large**_

_ house, standing prominently on the hill above the others._

_ HICCUP (CONT'D)_

_ I really did hit one._

_ ** GOBBER**_

_ Sure, Hiccup._

_ ** HICCUP**_

_ He never listens._

_ ** GOBBER**_

_ Well, it runs in the family._

_ ** HICCUP**_

_ And when he does, it's always with_

_ this... disappointed scowl. Like_

_ someone skimped on the meat in his_

_ sandwich._

_ ** (MIMICKING STOICK)**_

_ Excuse me, barmaid. I'm afraid you_

_ brought me the wrong offspring. I_

_ ordered an extra large boy with_

_ beefy arms. Extra guts and glory on_
_ the side. This here. This is a_
_ talking fish bone._

Astrid rubbed Hiccup's arm and Toothless laid his large black head on Hiccup's lap. He smiled and leaned into both of their touches. Stoick looked over at his son. He never knew he felt that way. Perhaps that was the reason for all of this.

_ ** GOBBER**_
_ You're thinking about this all_
_ wrong. It's not so much what you_
_ look like. It's what's inside that_
_ he can't stand._

_ ** Beat.**_
_ HICCUP_

_ Thank you, for summing that up._

_ They reach the doorway._

_ **GOBBER**_
_ Look, the point is, stop trying so_
_ hard to be something you're not._

_ Hiccup SIGHS heavily._

_ ** HICCUP**_
_ I just want to be one of you guys._

Hiccup and Toothless snorted.

>"Not anymore." he said, and Toothless nodded his head smartly, much to Astrid's amusement.<p>

_ ** Gobber eyes him sympathetically. Hiccup turns and goes**_
_ through the front door._

_ And straight out the back door. He hurries off into the_

_ woods, determined._

The screen went black and the room's lights went on. As everyone's eyes adjusted to the light, Hiccup, Astrid, and Toothless heard a voice in their head.

"Hey. It's me, Enchantress. I have a very special surprise waiting for you in my room, Hiccup. You can bring Astrid and Toothless. My room is the second door on the right. And, Toothless, I have a gift

for you as well, and this also pertains to Astrid as well." Hiccup looked at Astrid and Toothless and they stood up.

"Where are you going?" Tuffnut asked, but he was ignored. The trio walked out into the hall and went through the second door on the right. It was a large room, with blue walls covered with posters of purple and orange shirts with lettering words like Camp Jupiter and Camp Half-Blood, and pictures of boys with names like Logan Lerman, Chris and Liam Hemsworth, and Chris Evans. There was a white dresser and desk, and a large canopy bed in the corner. Music was playing softly. The word went something like, "The Story of y life, I take her home, I drive all night, to keep her warm inside. It's frozen." On the desk, was a series of screens, all pertaining to the movie room. A cough startled them. On the bed, with a book called, "House of Hades", was Enchantress. She was wearing red plaid pants with a red sweatshirt, with the initials SHA on it. She bookmarked her book and stood, smiling.

"Welcome. I'm glad you came." she said, and she went to a small, circular machine and turned it off. The music stopped playing. Enchantress turned to them.

"Please, follow me." She led them to a door by her desk, and she opened it. The room was dark, until Enchantress turned on the light. Hiccup gasped. Inside was a woman with long brown hair in a braid down her back, wearing a hooded jacket and a skirt. She had large grey eyes, and they lit up when they saw Hiccup. He didn't take his eyes off of her until he heard Astrid gasp. He turned and couldn't believe his eyes. In front of Toothless was another Night Fury, with dark, midnight blue scales, and bright blue eyes. It growled, and Hiccup knew it was a female, because her growl was higher than Toothless's, but no less terrifying. He turned back to the woman and found himself wrapped in her arms.

"My dear child." she said into his ear. Hiccup felt tears beginning to brim in his eyes.

"Mother." he said, and the tears fell.

****Chapter Five****

Astrid covered her mouth with her hand, smiling at the reunion. Hiccup sobbed into his mother's shoulder. Toothless sat next to Astrid and leaned slightly against her, and she placed a hand on his head. Hiccup stepped back and gazed at his mom.

"My boy. Look at you! So grown." She said, and Hiccup smiled. Then his mother turned to Astrid and her eyes lit up again.

"And with a Night Fury! And a pretty girl!" she said, and Hiccup rubbed his neck.

"Mom! Seriously?" he said, and she lied. She stepped up to Astrid and shook her hand.

"My name is Valhallarama, but you may call me Val. And your name is...?" She asked, and Val smiled.

"A lovely name. And who is this handsome boy?" Hiccup grinned.

"This is my best friend, Toothless." Toothless crept up to Val and rubbed against her. She smiled and scratched his head. Another head pressed itself against Astrid's hand. She looked in shock at the midnight-blue Night Fury now gazing up at her. Astrid gazed in shock at the bright blue eyes looking up at her.

"Hello, girl." she said, and Val looked at her.

"I believe she likes you." she said. Hiccup looked over at her, and he walked over and placed his hand on Astrid's. He slowly took it and placed it on top of the dragon's head. The Night Fury closed her eyes and leaned into the touch.

"Wow. She's bonded with you right away." he said, and Astrid looked at him in shock.

"are you serious?" she asked, and Hiccup nodded.

"Did you feel calm and happy when you touched her?" he asked, and Astrid nodded.

"Then you bonded." Val said, and Astrid smiled at the dragon with midnight-blue scales.

"I think I'll call you Midnight." she said, and Hiccup quietly snorted. Astrid glared at him.

"yeah, and Toothless was the most imaginative name you ever came up with?" she said, and he shut up immediately. Val laughed.

"You should get back. People are wondering where you are. I've told Val everything that has happened in the room, and what has happened since she left." Enchantress said. Hiccup, Astrid, Toothless, and Midnight moved toward the door.

"Wait. Val, do you want to go with them?" Enchantress asked, and Hiccup's mother smiled and nodded. She walked up to them, and took Hiccup's hand, and Astrid took the other hand. The group walked out of the room, and back to the hall. Inside, everyone was talking, but all abruptly stopped when the three humans and two dragons walked in. Stoick stood up, smiling.

"Val? Is that you?" he asked, and she crossed her arms, frowning.

"Yes. And I've heard what you all have done to Hiccup, and you will have to change seriously if you ever want my trust again, Stoick!" Val said, and Stoick backed away slightly.

"But, He's going to kill a Nightmare. He'll be one of us!" he said, and many Vikings murmured and nodded in agreement.

"But does he want to? Did you even ask your son if he wanted to be a Viking, or kill a dragon?" Val left the words hanging, and the group sat down, and the screen slowly flickered to life.

**INT. GREAT HALL - DAY**

** A noisy din of PROTESTING VOICES leads to...**

** STOICK, glowering in the firelight. Surrounded by his men.**

** STOICK**

_ Either we finish them or they'll_

_ finish us! It's the only way we'll_

_ be rid of them! If we find the_

_ nest and destroy it, the dragons_

_ will leave. They'll find another_

_ home._

Hiccup snorted.

"That nest looks like it's been there for decades. And that old fatty ain't moving any time soon." he muttered. Val, Astrid, Toothless, Midnight, and the other dragons laughed. The Vikings noticed this, but did not hear what Hiccup had said. Confusion was written on their faces.

_ ** He sinks **__**his blade into a...**_

** LARGE NAUTICAL MAP, spread out on the table... the blade**

** pierces the middle of an uncharted corner, swirling with**

** painted sea monsters and dragons.**

_ ** STOICK (CONT'D)**_

** (DECIDEDLY)**

_ One more search. Before the ice_

_ sets in._

_ ** VIKING**_

_ Those ships never come back._

"I wonder why?" Astrid said. Stoick looked at her. Did they know something he didn't?

_ ** STOICK**_

** (MATTER-OF-FACT)**

_ We're Vikings. It's an occupational_

_ hazard. Now who's with me?_

_ ** Stoick throws up his fist. No one follows. The crowds shifts**_

** in restless silence. Head scratches. Eyes averted.**

** VIKING**

** (FEEBLE)**

_ Today's not good for me._

_ **VIKING (CONT'D)**_

** (EQUALLY FEEBLE)**

_ I've gotta do my axe returns._

_ ** STOICK**_

_ Alright. Those who stay will look_

_ after Hiccup._

_ ** Hands jut into the air, volunteers galore. Enthusiastic**_

** murmurs of prep and packing fill the room.**

Hiccup scowled.

"Thanks for that. I feel so loved." he said bitterly. Astrid placed her head on his shoulder, and Val gripped his hand.

"You are loved." Astrid said, and Toothless wrapped himself around Hiccup and the others. He smiled his gummy smile, and Hiccup smiled

back.

** PHLEGMA THE FIERCE**

_ To the ships!_

_ ** SPITELOUT**_

_ I'm with you Stoick!_

** STOICK**

** (DRY)**

_ That's more like it._

_ ** The Vikings rush for the door, leaving Gobber and Stoick**_

** alone. Gobber gulps back the contents of his tankard**

** attachment and scrapes back the bench.**

** GOBBER**

_ I'll pack my undies._

_ **STOICK**_

_ No, I need you to stay and train_

_ some new recruits._

_ **GOBBER**_

_ Oh, perfect. And while I'm busy,_

_ Hiccup can cover the stall. Molten_

_ steel, razor sharp blades, lots of_

_ time to himself...what could_

_ possibly go wrong?_

"Thanks for the support, Gobber." Hiccup said, teasingly. Gobber was the only one he trusted still. Gobber smiled at him.

"You are very welcome. I know how you are with metal." he added with a wink. Hiccup grinned and Stoick felt a burst of jealousy in his chest.

_ ** Stoick sinks onto the bench beside Gobber, his brow
burdened.**_

** STOICK**

_ What am I going to do with him_

_ Gobber?_

_ **GOBBER**_

_ Put him in training with the_
_ others._

_ **STOICK**_

_ No, I'm serious._

_ **GOBBER**_

_ So am I._

_ Stoick turns to him, glaring._

_ **STOICK**_

_ He'd be killed before you let the_
_ first dragon out of its cage._

_ **GOBBER**_

_ Oh, you don't know that._

_ ** STOICK**_

_ I do know that, actually._

_ ** GOBBER**_

_ No, you don't._

_ ** STOICK**_

_ No, actually I do._

_ ** GOBBER**_

_ No you don't!_

_ **STOICK**_

_ Listen! You know what he's like._

_ From the time he could crawl he's_
_ been...different. He doesn't_
_ listen._

"Yes I do listen. To my heart." Hiccup said, frowning. Stoick felt an emotion he had never felt before in his chest. Guilt.

_ ** (MORE)**_

_ ** STOICK (CONT'D)**_

_ Has the attention span of a_

_ sparrow. I take him fishing and he_
_ goes hunting for... for trolls._
_ ** GOBBER**_
** (DEFENSIVE)**
_ Trolls exist! They steal your_
_ socks._
_ ** (DARKLY)**_
_ But only the left ones. What's with_
_ that?_

The Teens snicker. Hiccup grinned again.

"What did the trolls ever do to you, Gobber?" he asked, and Gobber immediately went pale and gulped. This made the teens laugh even harder.

_ ** STOICK**_
_ When I was a boy..._
_ ** GOBBER**_
** (GRUMBLING)**
_ Oh here we go._
_ **STOICK**_
_ My father told me to bang my head_
_ against a rock and I did it. I_
_ thought it was crazy, but I didn't_
_ question him. And you know what_
_ happened?_
_ **GOBBER**_
_ You got a headache._
_ ** STOICK**_
_ That rock split in two. It taught_
_ me what a Viking could do, Gobber._
_ He could crush mountains, level_
_ forests, tame seas! Even as a boy,_

_ I knew what I was, what I had to_
_ become._

"No one can do those things. Only gods, and dragons. A man could never do those things." Astrid said, and her parents frowned and shook their heads at her.

_ ** (BEAT)**_

_ Hiccup is not that boy._

_ ** GOBBER**_

_ You can't stop him, Stoick. You can_
_ only prepare him._

_ ** (BEAT)**_

_ Look, I know it seems hopeless. But_
_ the truth is you won't always be_
_ around to protect him. He's going_
_ to get out there again. He's_
_ probably out there now._

Astrid huffed.

"Probably? Oh please. Definitely." she said, and Hiccup rubbed his neck sheepishly.

** ON STOICK, as Gobber's words hit their mark.**

** EXT. WOODS - DAY**

** ON AN OPEN NOTEBOOK**

_ ** A drawn map of the island, covered in X's.**_

_** Hiccup looks up from it and peeks over a gorge,
expectantly.**_

** Sees nothing.**

_** He adds another 'X' to the page, then scratches his
pencil**_

_** over the whole map in frustration. He snaps the book
closed**_

** and pockets it.**

** HICCUP**

_ Uggh, the gods hate me. Some people_

_ lose their knife or their mug. No,_
_ not me. I manage to lose an entire_
_ dragon._

** Hiccup WHACKS a low-hanging branch. It SNAPS back at him,**
_** hitting him in the face. He looks up to see a snapped
tree**_
** trunk. His eyes follow it to a long trench of up-turned**
** earth.**
_** He follows it to a downed, black dragon, its body and
tail**_
** tangled in a bola. It appears dead. Hiccup approaches,**
** beaming.**
** HICCUP (CONT'D)**
** (IN SHOCK)**
_ Oh wow. I did it. I did it. This_
_ fixes everything._

Hiccup felt tears prickle at his eyes. He had taken away Toothless' freedom, all to prove himself to a father who did not even care about him. Toothless curled even tighter around his rider, knowing what he was thinking.

_ **(ELATED)**_
_ Yes!_
_ ** He strikes a victory pose, planting his foot on the
fallen**_
** Night Fury.**
** HICCUP (CONT'D)**
_ I have brought down this mighty_
_ beast!_

Hiccup snorted, thinking of how proud his best friend was. Toothless whacked him in the head, knowing what he was thinking.

_ ** It suddenly shifts.**_
** HICCUP (CONT'D)**
_ Whoa!_

** Hiccup springs back, terrified. He turns his blade on it.**
_** Rattled, Hiccup creeps along the length of the weak,
wounded**_
** dragon, dagger poised to strike.**
_** As he reaches the head, Hiccup finds the Night Fury
staring**_
_** coldly at him. Hiccup tries to look away, but he's drawn
back**_
** to its unnerving, unflinching stare.**
_** With the dragon safely tangled in the ropes, Hiccup jabs
with**_
** his dagger, puffing himself up with false bravado.**
_ ** HICCUP (CONT'D)**_
_ I'm going to kill you, Dragon. I'm_
_ gonna cut out your heart and take_
_ it to my father. I'm a Viking._
_ ** (BEAT)**_
_ I am a VIKING!_
_". I am not, and I will never be. I am a Dragon Trainer, and
that_
** Hiccup raises the dagger, determined to prove his Viking-**
_** ness. The dragon's labored breathing breaks Hiccup's
clenched**_
_** concentration. He opens an eye, uncertainty leaking
through.**_
_** The dragon holds the stare. Something profound is
exchanged.**_
_** Finally, the Night Fury closes its eye and lowers its
head,**_
** resigned to its fate.**
** Hiccup tries to go through with it, holding the dagger**
_** aloft... fighting himself... until finally lowering it with
a**_
** frustrated sigh.**
** He looks over the dragon's chaffed rope wounds.**

** HICCUP (CONT'D)**
** (muttered, ashamed)**
_ I did this._
** He turns to leave. Pauses. And glances back at the dragon,**
** chest heaving.**
** Hiccup GRUMBLES. He checks over his shoulder to ensure that**
** no one is watching... then hurries back to cut the ropes.**
** The Night Fury's eye shoots open. With the dragon watching**
** his every move, Hiccup hurriedly saws through the bola ropes.**
** As the last rope falls free, the Night Fury suddenly POUNCES!**
** In a blur, the dragon is upon him, pinning Hiccup down,**
** grazing his neck. Looking like it's about to kill him. Hiccup**
** is paralyzed. The dragon's breath ruffles his hair. Hiccup**
** opens his eyes to find the Night Fury's wolf-like stare**
** boring into him. The exchange is intense, profound.**
** The dragon draws a deep breath, as though it's about to torch**
** him, then lets out an ear-piercing scream instead. **
"that hurt, bud." Hiccup said, and Astrid, Val, Midnight, and Toothless snorted. Hiccup huffed good-naturedly, and crossed his arms.
**It turns**
** and takes flight, flapping violently through the canopy of**
** trees. It bashes against a nearby mountain side, recovers,**
** and drops out of view some distance away.**
** Winded, Hiccup struggles to his feet, staggers a few steps,**
** collapses to his knees, and faints.**

****"That will be our lunch break. You can go into the next room, and you will find a large buffet with foods from my timeline. Enjoy!" Enchantress's voice said. Everyone got up and went into the room that she had stated. Everyone's jaws dropped. There was food galore! Cookies, meats, breads, desserts, different drinks, it was all so overwhelming! Hiccup got a bit of each, and sat with his family. Toothless and Midnight had taken to each other right away. The two were cuddled against each other. Astrid smiled at the two, along with Val. Hiccup sat with them and they ate while discussing most of of the movie they had seen so far.

Please Review!

I have nothing against Stormfly. I just wanted to introduce a Night Fury, because Toothless is very lonely.

Thank's for reading!

6. Training

Hey Guys!

So sorry for the wait. I had math and world language testing for my high school, and my sister has prom and graduation, so I was really busy. And I was freaking out because the cover my favorite book came out.

Please Enjoy!

Chapter Six

As everyone settled into their seats, Hiccup saw his father staring at him. He glared at him, before turning back to the screen. Astrid placed a hand on his and smiled at him. The two Night Furies curled around them and Val as the screen lit up.

STOICK

I need to speak with you too, son.

"Oh gods." Hiccup muttered, and Toothless crooned comfortingly at his rider.

_ Hiccup and Stoick STRAIGHTEN at the same moment._

** HICCUP STOICK**

I've decided I don't want to I think it's time you learn
fight dragons. to fight dragons.

_ (BEAT) (BEAT)_

What? What?

** STOICK (CONT'D)**

You go first.

** HICCUP**

No, you go first.

STOICK

Alright. You get your wish. Dragon
training. You start in the morning.

HICCUP

_ (SCRAMBLING)_

Oh man, I should've gone first. Uh,
'cause I was thinking, you know we

have a surplus of dragon-fighting

Vikings, but do we have enough

bread-making Vikings, or small home repair
Vikingsâ€|

****STOICK****

-You'll need this.

****_ Stoick hands Hiccup his axe. Hiccup avoids taking it. _****

**** HICCUP****

I don't want to fight dragons.

****STOICK****

Come on. Yes, you do.

****HICCUP****

Rephrase. Dad I can't kill dragons.

****STOICK****

But you will kill dragons.

****HICCUP****

No, I'm really very extra sure that

I won't.

****STOICK****

It's time Hiccup.

**** HICCUP****

Can you not hear me?

"He never will." Hiccup muttered angrily. Val placed an arm across
her son's back and squeezed.

'Don't worry." she said.

****STOICK****

This is serious son!

****_ Stoick forces the axe into Hiccup's hands. Its weight
drags_****

****_ him down. He looks up to see Stoick under-lit with
firelight._****

**** STOICK (CONT'D)****

When you carry this axe... you
carry all of us with you. Which
means you walk like us. You talk
like us. You think like us. No more
of...

**_ (GESTURING NON-_
_ specifically at Hiccup)_
... this.

HICCUP

You just gestured to all of me.

STOICK

Deal?

HICCUP

This conversation is feeling
very
one-sided.

STOICK

DEAL?!

**_ Hiccup glances at the axe in his hands. It's a no-win_
_ argument._
** HICCUP**

_ (RESIGNED)_

Deal.

**_ Satisfied, Stoick grabs his helmet and duffel bag... and_
_ heads for the door._
** STOICK**

Good. Train hard. I'll be back.

Probably.

** HICCUP**

And I'll be here. Maybe.

"You're so optimistic!" Astrid laughed, and Hiccup rolled his eyes.

_ Stoick heads out the door, leaving Hiccup holding the axe._

_ EXT. TRAINING GROUNDS - DAY_

_ Gobber raises a massive iron gate at the entrance of a vast_

_ stone arena._

GOBBER

Welcome to dragon training!

_ The recruits file through the gate, and out onto the arena_

_ floor. They take it in like gladiators entering the_

_ colosseum. The walls are covered in scorched silhouettes of_

_ blasted Vikings. It's a grim yet awe-inspiring place._

ASTRID

No turning back.

TUFFNUT

I hope I get some serious burns.

RUFFNUT

I'm hoping for some mauling, like
on my shoulder or lower back.

ASTRID

Yeah, it's only fun if you get a
scar out of it.

"Totally! Everybody wants to disfigure their bodies!" Hiccup said sarcastically. Astride laughed.

HICCUP (O.S.)

Yeah, no kidding, right? Pain. Love
it.

_ The recruits turn to see Hiccup behind them. Groans all_

_ around._

** TUFFNUT**

Oh great. Who let him in?

GOBBER

Let's get started! The recruit who
does best will win the honor of
killing his first dragon in front
of the entire village.

SNOTLOUT

Hiccup already killed a Night Fury,
so does that disqualify him or...?

_ The recruits LAUGH and chatter in the background._

Hiccup clenched his fists.

'You actually let this go on?" Val questioned SToick angrily.

"It helped him build character!" The cheif argued.

"I came home one day black and blue! And you told me that I needed to
be around Snotlout more! You were a terrible father!" Hiccup said.
Stoick was shamed into silence.

** TUFFNUT**

Can I transfer to the class with
the cool Vikings?

**_ Gobber throws a supportive arm around Hiccup and ushers
him_**

_ along._

** GOBBER**

_ (cheery, in confidence)_

Don't worry. You're small and
you're weak. That'll make you less
of a target. They'll see you as
sick or insane and go after the
more Viking-like teens instead.

_ GOBBER stick him in line with the others and continues on_

_ toward five massive reinforced doors. Terrible ROARS and_
_ BELLOWS issue from within._
GOBBER (CONT'D)
Behind these doors are just a few
of the many species you will learn
to fight.
**_Fishlegs bounces and giggles with excitement, barely able
to_**
_ contain himself._
GOBBER (CONT'D)
The Deadly Nadder.
** FISHLEGS**
_ (under his breath)_
Speed eight. Armor sixteen.
GOBBER
The Hideous Zippleback.
FISHLEGS
Plus eleven stealth. Times two.
GOBBER
The Monstrous Nightmare.
FISHLEGS
Firepower fifteen.
** GOBBER**
The Terrible Terror.
** FISHLEGS**
Attack eight. Venom twelve.
_ GOBBER_
CAN YOU STOP THAT?!
_ (BEAT)_
And...the Gronckle.
FISHLEGS

_ (quietly; to himself)_

Jaw strength, eight.

"Nerd." Snotlout coughed, and the twins laughed.

_ Gobber pulls a lever, raising the cross beam on the last of_

_ the doors._

** "***Here we go." Val sighed.

SNOTLOUT

Whoa, wait! Aren't you gonna teach
us first!?

GOBBER

I believe in learning on the job.

**_ BAM! A GRONCKLE thunders out of its cave, charging into
the_**

_ ring like an irate rhino._

**_ The recruits scramble in every direction. Except for
Ruffnut_**

**_ and Tuffnut who rush toward it, like pumped-up rodeo
clowns._**

GOBBER (CONT'D)

Today is about survival. If you get
blasted, you're dead. Quick, what's
the first thing you're going to
need?

** HICCUP**

A doctor?

** FISHLEGS**

Plus five speed?

** ASTRID**

A shield.

** GOBBER**

Shields. Go.

_ The recruits scramble for shields, finding them scattered_
_ around the ring._

_ GOBBER (CONT'D)_

_ Your most important piece of_
_ equipment is your shield. If you_
_ must make a choice between a sword_
_ or a shield, take the shield._

**_ Hiccup STRUGGLES to lift his. Gobber helps him and sends
him_**

_ running._

**_ Ruff and Tuff stand amidst a dozen shields. But only one
has_**

_ a skull painted on it. They both grab it._

TUFFNUT

Get your hands off my shield!

** RUFFNUT**

There are like a million shields!

** TUFFNUT**

Take that one, it has a flower on
it. Girls like flowers.

_ Ruffnut uses the shield to BASH Tuffnut in the face. He_
_ doesn't let go._

** RUFFNUT**

Ooops, now this one has blood on
it.

_ The Gronckle takes aim at the distracted twins. Blam! The_
**_ shield is blasted out of both of their hands. Tuff and
Ruff_**

_ SPIN like tops and go down._

** GOBBER**

Tuffnut, Ruffnut, you're out!

** TUFFNUT**

_ (DAZED)_

What?!

** RUFFNUT**

_ (CONFUSED)_

What?!

_ The Gronckle scoops up a pile of rocks and SWALLOWS them_

_ back. The teens gather on the far side of the ring._

** GOBBER**

Those shields are good for another
thing. Noise. Make lots of it to
throw off a dragon's aim.

_ The kids scoop up weapons and begin hammering on their_

_ shields. The Gronckle shakes its head at the clatter._

_ GRONCKLE'S POV - the teens targets become blurry and_

_ scrambled. It's working._

** GOBBER (CONT'D)**

All dragons have a limited number
of shots. How many does a Gronckle
have?

** SNOTLOUT**

Five!

** FISHLEGS**

No, six.

** GOBBER**

Correct, six. That's one for each
of you!

"How nice!" Astrid joked.

** FISHLEGS**

I really don't think my parents

WOULD-

_ BAM! Fishlegs has his shield blasted away._

** GOBBER**

Fishlegs, out.

_ Gobber spots Hiccup hiding from the Gronckle's molten slugs._

GOBBER (CONT'D)

Hiccup, get in there!

_ ON ASTRID bouncing on her heels, ready to dodge a blast._

_ Snotlout appears, trying to hit on her._

** SNOTLOUT**

So anyway I'm moving into my
parents' basement. You should come
by sometime to work out. You look
like you work out-

**_She cartwheels out of the way, allowing a shot to shoot
past_**

_ her and hit Snotlout's shield. He's blasted onto his back._

** GOBBER**

Snotlout! You're done!

**_ Astrid ROLLS to a stop beside Hiccup, who stirs
awkwardly,_**

_ trying to look cool._

** HICCUP**

_ (VOICE BREAKING)_

So, I guess it's just you and me
huh?

ASTRID

No. Just you.

"You basically just told me that I would win." Hiccup told the blonde
Viking, who blushed.

**_ Astrid ROLLS away. A split-second later a lava slug
knocks_**

_ Hiccup's shield clear off of his arm. Hiccup is exposed._

** GOBBER**

One shot left!

**_ Hiccup panics and chases after his shield as it rolls
across_**

_ the ring._

_ The sudden movement sends the Gronckle chasing after him,_

_ leaving Astrid in the clear._

GOBBER (CONT'D)

_ (WORRIED)_

Hiccup!

_ The Gronckle drives straight toward Hiccup, pinning him_

_ against the wall. It opens its mouth and cocks its tail,_

_ ready to fire point-blank._

**_ Gobber lunges in and hooks the Gronckle's mouth at the
last_**

**_ second, causing its head to jerk back and fire against
the_**

_ stone wall above Hiccup's head._

GOBBER (CONT'D)

_ (rattled, but masking it)_

And that's six!

**_ Gobber wrestles the irate Gronckle back into his
pen._**

GOBBER (CONT'D)

Go back to bed, ya overgrown

sausage! You'll get another chance,

don't you worry.

_ Slam! Lock. Gobber turns to the recruits._

GOBBER (CONT'D)

Remember... a dragon will always,

_ (with a stern look to_

_ HICCUP)_

always go for the kill.

_ He hoists Hiccup to his feet and walks off. Hiccup looks_

_ overhead to see a steaming pit in the solid stone wall._

"Alright. These next scenes are kind of dangerous to Hiccup and Toothless' health, so I am going to tell you now. If you try to harm them, you will get severely hurt. It will feel like you have been dunked into the River Styx, then that you have drunken from the Phlegathon. Understood?" Enchantress appeared on the screen and glared at them all. There was a hurried round of agreements. She smiled, then the screen went black.

**Please Review! **

Disclaimer**: yeah, I don't own any of them, yadda yadda yadda here you go**

The group settled in as the movie resumed.

"I'm interested to see what we'll see Hiccup do in this chapter." Tuffnut said.

EXT. WOODS/HIDDEN COVE - DUSK

_ HICCUP, battered after another disastrous day in the ring. He_

_ studies the remnants of the discarded bola... revealing that_

_ he's back at the scene of the crime._

*****HICCUP**

_ (MUTTERED)_

****_So...why didn't you?_

_ He drops the bola and presses on in the direction it flew_
**_ off. He drops into a rocky crevice and follows it to
an..._**

**_ ISOLATED COVE complete with a pristine spring pool. He
scans_**

**_ the high stone walls... then notices a single black SCALE
on_**

_ the ground. He crouches and picks it up, studying it._

"ohhh! Pretty scale from the monster who wants to kill us all!"
Snotlout squealed in a little girl's voice.

" One, He is not a monster. You are. Second, nice imitation of
yourself." Hiccup retorted.

** HICCUP (CONT'D)**

****_Well this was stupid._

_ SUDDENLY, the NIGHT FURY blasts past him. Hiccup recoils,_

**_ watching the massive beast struggle to climb the walls.
It_**

_ flaps violently, then peels away to a rough landing. The_

_ dragon is trapped._

_ Hiccup grins, excited to see it again, and slips closer._

_ He watches as the dragon, exhausted and frustrated, leaps_

**_ into the air, beating its wings furiously. Again and
again,_**

_ it rolls uncontrolled and CRASHES heavily._

**_ As if remembering to snap a photo, Hiccup pulls a
leather-_**

_ bound book and flips past drawings of weapons to a blank_

**_ page. He sketches the dragon quickly, desperate to record
the_**

_ image._

"Kill it! It is vulnerable!" Stoick yelled, and many people agree
with him. Hiccup just ignored him.

**_ The Fury claws at the steep rock walls, trying climb out
of_**

**_ the cove. It SLIPS and falls hard, crushing several
saplings._**

_ The Fury rolls back to his feet and slowly crawls to the_
**_ water's edge. He spots fish in the shallow water and snaps
at_**
_ them... but comes up empty. He lowers his head, looking_
_ weakened._

Hiccup stroked his best friend's head. No one else had noticed,
because they weren't looking, but Hiccup saw the missing tail
fin.

** HICCUP (CONT'D)**

_ (MUTTERED)_

_ Why don't you just...fly away?_

**_ ON HICCUP as he spots the problem. He adjusts his
drawing,_**

_ carefully erasing one half of the dragon's tail. He_

**_ accidentally drops the charcoal stick. It rolls off of
the_**

**_ rock outcropping that hides him from view and bounces
into_**

_ the cove. TINK. TINK. TINK._

_ The Night Fury raises his head, spotting Hiccup. They_

_ exchange a profound, unflinching stare._

"I'm sorry bud. You should be flying on your own by now. I wish I
hadn't tried to impress them." Hiccup said, and Toothless nudged his
rider.

"Yes you do. If you hadn't, the two of you would have never met." Val
said, placing a hand on her son's arm.

_ DISSOLVE TO:_

_ INT. GREAT HALL - NIGHT_

**_ A storm is brewing outside. The great doors rattle on
their_**

_ hinges._

_ GO_**BBER (O.S.)**

Alright. Where did Astrid go wrong

_ in the ring today?_

**_ The recruits are seated at a table, eating dinner by the
glow_**

_ of the fire pit._

** ASTRID**

I mistimed my somersault dive. It

_ was sloppy. It threw off my_

_ reverse tumble._

_ Eye rolls from the group._

*****RUFFNUT**

_ (SARCASTIC)_

_ Yeah. We noticed._

*****SNOTLOUT**

_ (grabbing Astrid's hand)_

_ No, no, you were great. That was_

_ so 'Astrid'._

"Suckup." Hiccup coughed, and the Teens laughed, much to his surprise.

*****GOBBER**

****_She's right, you have to be tough_

_ on yourselves._

_ CREAK. All eyes turn to Hiccup, entering the hall,_

_ sheepishly. Gobber glares at him._

** GOBBER (CONT'D)**

_ (glaring at Hiccup)_

_ Where did Hiccup go wrong?_

_ He tries to take a seat at the table..._

*****RUFFNUT**

_ He showed up._

*****TUFFNUT**

_ He didn't get eaten._

_ ... but the recruits keep closing the gaps. Rolling his eyes,_

**_ Hiccup sits at the vacant table next to

them._**

*****ASTRID**

_ He's never where he should be._

*****GOBBER**

_ Thank you, Astrid._

_ Gobber stands_

** GOBBER (CONT'D)**

****_You need to live and breathe this_

_ stuff._

"I'd much rather breathe air. That book was kind of musty." Astrid laughed. Hiccup nodded in agreement.

_ Gobber lays a giant book in the center of the table._

** GOBBER (CONT'D)**

****_The dragon manual. Everything we_

_ know about every dragon we know of._

_ A RUMBLE of thunder shakes the hall. Rain pours down outside._

*****GOBBER (CONT'D)**

_ No attacks tonight. Study up._

_ Gobber EXITS into the storm, leaving the teens staring at the_

_ book._

"A free evening, a bunch of teens, what could possibly go wrong?" Hiccup asked in an uncanny imitation of Gobber, which made many people laugh.

*****TUFFNUT**

_ (you've got to be kidding)_

_ Wait, you mean read?_

*****RUFFNUT**

_ While we're still alive?_

*****SNOTLOUT**

****_Why read words when you can just_

_ kill the stuff the words tell you_

_ stuff about?_

*****FISHLEGS**

_ Oh! I've read it like, seven times._

_ There's this water dragon that_

_ sprays boiling water at your face._

_ And there's this other one that_

_ buries itself for like a week..._

_ The teens stare as Fishlegs goes on too long._

*****TUFFNUT**

****_Yeah, that sounds great. There was_

_ a chance I was going to read_

_ that..._

*****RUFFNUT**

_ ...but now..._

_ Snotlout gets up to go._

** SNOTLOUT**

****_You guys read, I'll go kill stuff._

"Somebody is a little to violent." Ruffnut said in an "I'm your Mommy" voice. Snotlout blushed while everyone else laughed.

_ The others follow, with Fishlegs in tow._

*****FISHLEGS**

_ Oh and there's this other one that_

_ has these spines that look like_

_ trees..._

_ Astrid is the last to go._

** HICCUP**

_ So I guess we'll share-_

*****ASTRID**

_ Read it._

_ She pushes it toward him and leaves._

*****HICCUP**

_ All mine then. Wow, so okay. I'll_

_ SEE YOU-_

_ Slam._

** HICCUP (CONT'D)**

****_Tomorrow**.**_

_ SIGH._

"RUDE!" Hiccup suddenly yelled. Astrid rolled her eyes and laughed.

"Well I wasn't about to spend my free evening reading." she replied.

_ DISSOLVE TO:_

_ INT. GREAT HALL - LATE NIGHT_

_ ON HICCUP'S HAND_

_ OPENING the massive book. Thunder BOOMS outside. The hall is_

_ vacant and dark, but for the few candles he's pulled_

_ Hiccup pours through page after page of strange and_

_ frightening dragons._

** HICCUP (V.O.)**

****_Dragon classifications. Strike_

_ Extremely dangerous. Kill on sight._

**_ Hiccup's eyes drift to a lurid illustration of

_ Vikings. Another page, another dragon._

** HICCUP (V.O.) (CONT'D)**

_ Timberjack. This gigantic creature_
_ has razor sharp wings that can_
_ slice through full grown_
_ trees...extremely dangerous. Kill_
_ on sight._

_ The illustrations seem to take on a life of their own,_

_ shifting and squirming in the candlelight._

"Creepy!" laughed Tuffnut.

"You all are so immature." Astrid rolled her eyes again at the
laughing twins.

** HICCUP (V.O.) (CONT'D)**

****_Scauldron. Sprays scalding water at_

_ dangerous. Kill on sight. Kill on_
_ sight. Kill on sight..._

"Geez. SO many poor dragons killed." Hiccup said, shaking his head. Stoick stared at his son. The boy was actually pitying the beasts that had tried to kill them all! When this was over, Stoick would have to talk to his wife and son.

_ Hiccup finally lands upon the page he's been looking for_

** HICCUP (V.O.) (CONT'D)**

_ Night Fury._

_ It's BLANK - no image, save for a few, sparse details._

** HICCUP (CONT'D)**

****_Speed unknown. Size unknown. The_
_ unholy offspring of lightning and_
_ death itself._

Toothless stared at the screen for a moment before snorting out blue flames. Hiccup began to laugh as well, realizing that that was his dragon's way of laughing.

"Why are you laughing? That is a very accurate description!" Spitelaut protested. Hiccup shook his head, but didn't stop laughing.

'The Night Fury was created by Lord Thor to protect Asgard, but when Asgard was attacked, the two Night Furies plummeted to Earth. They had only two other offspring. Together, these four created a tough, and strong race of the most respected dragon race in the world. one day, Thor came down from Asgard to retrieve his dragons, but he left two eggs behind. These eggs hatched into Toothless and Midnight." Val said, crossing her arms, "The Night Fury is a protector, not a hunter. That's why Toothless is so protective of Hiccup, same for Midnight and Astrid."

_ (MORE)_

** HICCUP (CONT'D)**

****_Never engage this dragon. Your only_
_ chance, hide and pray it does not_
_ find you._

_ Hiccup pulls his sketchbook out of his vest and opens it to_

_ his drawing of Toothless. He lays it over the book's blank_

_ page and considers it._

_ CLOSE ON the drawing of Toothless..._

There was silence as the next scene unraveled.

8. Bonding Time!

Thank's for all of your reviews! There will be hiccup/toothless bonding. YAY!

Have fun!

Disclaimer: I don't own HTTYD

The screen lit up as the movie began to resume playing.

EXT. HIGH SEAS - DAWN

_ A painted DRAGON, with a sword run through it. It's the_

_ billowing sail of Stoick's ship._

_ Stoick hovers over the familiar nautical map - his eyes on_

_ the uncharted corner, swirling in mist and illustrations of_

_ dragons._

STOICK

_ I can almost smell them. They're_

_ close. Steady._

"The queen is really kind of smelly, so I'm not that surprised you can smell her over your own stench." Hiccup said, and Val and Astrid laughed while the other vikings scowled.

_ Stoick raises his gaze to..._

_ AN EPIC FOG BANK, towering from sky to sea like a bruised,_

**_ daunting curtain, beyond which nothing is visible. The

three_**

**_ ships drift alongside it, skirting its solid edge,
looking_**

_ for an opening._

_ ON DECK the crewmen mill nervously, all too aware of what_

_ Stoick is considering._

** STOICK (CONT'D)**

_ Take us in._

**_ The helmsman steers Stoick's ship into the fog. The men
draw_**

_ their weapons, prepping for the worst._

VIKING

_ Hard to port... for Helheim's gate._

**_ The first ship disappears into the whiteout, followed by
the_**

_ other two._

_ A BEAT_

_ **Suddenly a flash of light. A silhouette of a dragon.
Hollers.**_

_ Sounds of splitting and shattering wood. Plunges into the_

_ water. Another bright flash._

_ MATCH CUT TO:_

_ EXT. TRAINING GROUNDS - RING - DAY_

_ CLOSE ON a DRAGON painted onto a shield. Hiccup runs his_

_ finger over its outline._

HICCUP

_ You know, I just happened to notice_

_ the book had nothing on Night_

_ Furies. Is there another book? Or a_

_ sequel? Maybe a little Night Fury_

_ pamphlet?_

"Oh my gods Hiccup. You asked Gobber then?" Astrid asked, shaking her head.

"hey! I wanted answers!" he protested.

_ **KABLAM! A blast takes the axe head off of Hiccup's hilt,**_
_ leaving a smoking hole behind him. Hiccup YELPS and RUNS._

** GOBBER (O.S.)**

_ FOCUS Hiccup! You're not even_
_ trying._

_ CUT BACK to reveal a Deadly Nadder, loose in a maze-like_
_ arrangement of moveable walls. Gobber calls orders from_
_ above._

** GOBBER (CONT'D)**

_ Today... is all about attack._

_ **The Nadder hops from wall to wall, sending the recruits**_
_ scurrying._

** GOBBER (CONT'D)**

_ Nadders are quick and light on_
_ their feet. Your job is to be_
_ quicker and lighter._

_ ** The teens move in, stumbling over Hiccup and his
unwieldy**_

**_ shield. The Nadder spots Fishlegs' ample rear hiding behind
a**_

**_ wall. It whips its tail of spikes. Fishlegs SCREAMS and
lifts**_

**_ an entire wall to shield himself from the
spray._**

FISHLEGS

_ I'm really beginning to question_
_ your teaching methods._

GOBBER

_ Look for its blind spot. Every_
_ dragon has one. Find it, hide in_
_ it, and strike._

_ **Ruff and Tuff rush in, diving and rolling up to the Nadder's**_

_ nose. The Nadder sniffs the air - it can't see them. Tuff_

_ and Ruff are smashed together - too close for comfort._

RUFFNUT

_ (WHISPERED)_

_ Do you ever bathe?_

TUFFNUT

_ If you don't like it, then just get_
_ your own blind spot._

RUFFNUT

_ How about I give you one!_

_ Ruff and Tuff SHOVE each other, till their movement and noise_

_ gives them away. The Nadder ATTACKS, SNAPPING at both of_

_ them._

GOBBER

_ Blind spot? Yes. Deaf spot? Not so_
_ much._

"You are a very good teacher, Gobber." Hiccup said sarcastically. Unfortunately, Gobber didn't catch the sarcasm.

'Thanks Hiccup! he said.

_ Hiccup wanders up to Gobber, while the others dart past._

HICCUP

_ Hey, so how would one sneak up on a_
_ Night Fury?_

GOBBER

_ None one's ever met one and lived_
_ to tell the tale. Now get in there._

** HICCUP**

_ I know, I know, but_

_ hypothetically..._

** ASTRID**

_ (WHISPERED)_

_ Hiccup!_

_ **She puts her finger to her lips and gestures for him to hide.**_

_ A moment later, the Nadder leaps over the walls, surprising_

_ them by landing in front of her._

_ Astrid somersaults into its blind spot, confusing it. She_

_ rears back to strike - just as Snotlout LEAPS IN,_

_ protectively SWEEPING Astrid behind him._

SNOTLOUT

_ Watch out babe. I'll take care of_

_ this._

ASTRID

_ Hey!_

"It's okay Astrid. You'll get used to it." Hiccup said, attempting to smile. Val rubbed his back. Hiccup looked at his hands to hide the tears pricking his eyes.

_ Snotlout MISSES. Astrid glares at him._

** SNOTLOUT**

_ (DEFENSIVE)_

_ The sun was in my eyes, Astrid._

_ What do you want me to do, block_

_ out the sun? I could do that, but I_

_ don't have time right now!_

_ **The Nadder tears off after her, knocking down walls in**_

_ pursuit. She leaps and dives like a highly trained gymnast._

_ Hiccup wanders up to Gobber again._

HICCUP

_ They probably take the daytime off._

_ You know, like a cat. Has anyone_

_ ever seen one napping?_

"It's crazy how much Toothless looks like a cat. I swear on Thor's hammer that he's half-cat." Hiccup laughed, and Toothless batted his head with a wing.

** GOBBER**

_ Hiccup!_

ASTRID

_ -Hiccup!_

_ Hiccup spins around to see the maze walls collapsing like_

_ dominos toward him. Astrid comes flying through the dust and_

_ crash-lands on top of him, laying him out in a limb-tangled_

_ mess._

TUFFNUT

_ Oooh! Love on the battlefield!_

RUFFNUT

_ She could do better._

Astrid glared at the Twins, and held Hiccup's hand tightly. He smiled at her, and gripped it back.

_ The Nadder closes in, emerging through the cloud of dust._

HICCUP

_ (struggling to untangle)_

_ Just... let me... why don't you..._

_ ** The Nadder spins around and races back toward them like a**_

_ Raptor._

_ Astrid untangles herself and tries to pull her axe from_

_ Hiccup's shield... which is attached to his limp, gangly arm._

_ She PLANTS her foot on his torso and YANKS the axe free,_

_ still burrowed into the shield._

_ She SPINS and SWINGS the axe and shield, scoring a DIRECT HIT_

_ on the oncoming Nadder's NOSE. It yelps and scurries off._

GOBBER

_ Well done, Astrid._

_ **Gobber hobbles off to wrestle the Nadder back into his cave.**_

_ Hiccup gets to his feet - all eyes are upon him. He turns to_

_ find Astrid glaring at him, winded._

** ASTRID**

_ Is this some kind of a joke to you?_

_ Our parents' war is about to become_

_ ours. Figure out which side you're_

_ on._

"Dragons. Isn't it obvious?" Hiccup asked, with big, innocent eyes. Astrid and Val laughed, as did Toothless.

_ She grabs her axe and stomps off. Hiccup watches, stung._

_ CUT TO:_

_ EXT. COVE - MAGIC HOUR_

_ CLOSE ON_

_ A fish... being thrown into the cove. It hits the ground and_

_ slides. A moment later, Hiccup peeks through a gap in the_

_ rock, looking around cautiously. Nothing._

_ Hiccup squeezes through and enters the cove._

_ **A BEAT, then Hiccup hears a SNORT from behind him.**_

_ Hiccup turns to see the Night Fury, crouched on a rock like a_

_ stealthy panther. It descends, approaching him... ready to_

_ pounce._

_ Hiccup swallows his fear and offers the fish. Doing so_

_ reveals the dagger at his waist. The dragon sees it and_

**_ hisses. Hiccup reaches for it, eliciting a growl. He
pauses,_**

_ carefully lifts it by the handle, and tosses it away. The_

_ dragon calms._

**_ As it approaches the fish, Hiccup notices that it's
missing_**

_ teeth._

HICCUP

_ Huh. Toothless. I could've sworn_
_ you had..._
_ **A set of razor sharp teeth emerge from its gums to grab
the**_
_ fish. Toothless snatches and gnashes it up, swallowing it._

** HICCUP (CONT'D)**

â€¦teeth
"Scariest moment in my life. He nearly took my hand off!" Hiccup
exclaimed, and Toothless licked him. Hiccup laughed and wrapped an
arm around d his best friend.

_ ** The teeth retract again.**_
_ Toothless presses closer with an expectant look. Hiccup_

_ retreats nervously._

** HICCUP (CONT'D)**

_ Uh, no. No, I don't have any more._
_ The Fury backs Hiccup against a rock, placing himself the_

_ same position as before. The dragon closes in over him,_

_ staring blankly._

**_ A tense moment passes... then Toothless regurgitates a
chunk_**

_ of fish onto Hiccup's lap. They exchange stares. Hiccup_

_ realizes what Toothless wants him to do._

_ Hiccup crouches slowly and squeamishly picks it up._

_ The dragon waits expectantly. Hiccup gags and gnaws off a_

**_ bite of the slimy fish. He forces a smile. Toothless
mimics_**

_ him._

Astrid stared at Hiccup.

'You ate it?' she asked, and Hiccup nodded, grimacing. Val looked surprised.

"A dragon only regurgitates food to its young." she said, and Hiccup's eyes widened.

_ Amazed, Hiccup sits up and tries to touch him. Toothless_

_ HISSES and flaps off to a crash on the other side of the_

**_ cove. He BLASTS the mossy ground to a red-hot
temperature..._**

_ and curls up on it like a giant dog._

_ He turns to find Hiccup seated beside him. Toothless_

**_ tolerates his persistent presence... until Hiccup tries
to_**

**_ touch his damaged tail. Toothless SNAPS at him. Hiccup
takes_**

_ the hint and leaves._

"Touchy, touchy." Hiccup muttered. Toothless huffed and put his head on his rider's lap. Hiccup grinned and scratched Toothless' head. He, Astrid, and Val laughed when he began to croon, like a cat.

"He is like a cat." Astrid giggled.

_ EXT. COVE - LATER_

**_ It's MAGIC HOUR. Toothless wakes, hanging upside down from
a_**

**_ tree. He spots Hiccup sitting on the other side of the
cove._**

_ Sketching in the sand._

**_ CLOSE ON a sketch of Toothless. Hiccup draws with a
stick,_**

_ minding his own business. Toothless appears behind him,_

**_ watching carefully. Aware of his presence, Hiccup
continues,_**

_ trying not to scare him off._

_ Toothless walks off. A moment later, he reappears with an_

_ entire sapling, drawing lines in the sand. He rushes here and_

_ there, making haphazard lines in every direction._

_ Finally, Toothless drops the tree and inspects his work. He_

_ seems pleased._

"It's Hiccup!" Astrid exclaimed. Hiccup stared at it for a moment and began to laugh and nod.
>"You're right!" he said.<p>

_ Hiccup stands and takes in the sprawling scribble, amazed by_

_ it. He accidentally steps onto one of the lines, eliciting an_

_ instant growl from Toothless. He steps on it again. Toothless_

_ growls again. Realizing how sensitive he is, Hiccup steps_

_ carefully between each line, turning round and round until he_

_ unwittingly bumps into Toothless._

_ Toothless snorts. Once again, they're face to face. Hiccup_

_ slowly extends his hand. Toothless hesitates. Hiccup turns_

_ his head away and closes his eyes. To his amazement,_

_ Toothless bridges the gap and presses his muzzle against_

_ Hiccup's hand._

_ In a flash, the dragon is gone, leaving Hiccup astounded._

_ EXT. VILLAGE - NIGHT_

_ **Gobber and the recruits are seated at the top of an abandoned**_

_ catapult tower, toasting campfire food around a roaring_

_ bonfire._

GOBBER

_ ...and with one twist he took my_
_ hand and swallowed it whole. And I_
_ saw the look on his face._

****_ (can't deny it)_****

_ I was delicious. He must have_
_ passed the word, because it wasn't_
_ a month before another one of them_
_ took my leg._

"Gross! Why would you think that?" Snotlout asked. Gobbed chuckled and shrugged.

****FISHLEGS****

_ Isn't it weird to think that your_
_ hand was inside a dragon. Like if_
_ your mind was still in control of_
_ it you could have killed the dragon_
_ from the inside by crushing his_

"It it's weird and creepy at the same time." Astrid said, rolling her eyes, while the other dragons looked disgusted.

**** SNOTLOUT****

_ I swear I'm so angry right now._
_ I'll avenge your beautiful hand and_
_ your beautiful foot. I'll chop off_

Astrid gagged, and Midnight snorted flames out her nostrils. Hiccup ran out of the room and was gone for a few minutes. When he came back, everyone stared at him, and he gestured for the movie to resume.

"Seriously?" Astrid asked.

****_ He postures to Astrid. She rolls her eyes._****

****GOBBER****

_ (with a mouthful)_

_ Un-unh. It's the wings and the_
_ tails you really want. If it can't_
_ fly, it can't get away. A downed_
_ dragon is a dead dragon._

Everyone's head turned to Toothless, who growled at them all, before going back to his original position with Hiccup. Snotlout turned to the others.

'We have to get that dragon. He's turned the chief's wife and Astrid against us." he said, and the Teens nodded.

_ **ON HICCUP hiding his horrified look from the others.**_

_ Gobber stands and stretches._

** GOBBER (CONT'D)**

_ Alright. I'm off to bed. You should_
_ be too. Tomorrow we get into the_
_ big boys. Slowly but surely making_
_ our way up to the Monstrous_
_ Nightmare._

_ (playful, taunting)_

_ But who'll win the honor of killing_

_ ** He hobbles off. The teens reflect.**_

TUFFNUT

Hiccup grinned and looked at his friend's tail and gasped. Instead of the brown leather one he had made, a red leather one with a white dragon head was there.

"Where's the one I made you, bud?" Hiccup asked, puzzled.

"This is a different one that was made. You'll find out when." Enchantress' voice echoed about the room.

Neutral POV

The Vikings were still in shock from seeing Hiccup build the artificial tail for Toothless. Hiccup grinned as he leaned back against Toothless, ready for whatever was to come. The movie resumed.

EXT. HIDDEN COVE - DAWN

_ Hiccup arrives, winded, straining under the weight of a full_

_ basket. He clicks the scale he found (like a jar top)._

_ Toothless approaches, sniffing him._

** HICCUP**

Hey Toothless. I brought breakfast.

I hope you're hungry.

"When isn't he hungry? I swear to Odin, this dragon could eat everything in the village!" Hiccup laughed. Toothless rolled his eyes.

_ Hiccup drops the basket and kicks it over. Fish spill out._

** HICCUP (CONT'D)**

Okay, that's disgusting.

_ Toothless approaches, settling in to devour the feast._

** HICCUP (CONT'D)**

Uh..we've got some salmon...

_ Toothless swallows it._

** HICCUP (CONT'D)**

... some nice Icelandic cod...

_ Swallows those too._

HICCUP (CONT'D)

... and a whole smoked eel.

Val's eyes widened.

"You gave him an eel? Are you insane?" she exclaimed. Hiccup shrugged sheepishly.

"I didn't know they were poisonous to dragons." he whispered, not wanting his father to hear.

**_ Toothless nabs it, chews a few times, then spits it out.
He_**

_ shakes his head violently, snorts and scrubs his massive_

_ tongue on the sand. Hiccup takes note._

** HICCUP (CONT'D)**

No, no, no! It's okay. Yeah, I

don't like eel much either.

_ Toothless focuses on the remainder. With the dragon_

_ distracted, Hiccup unwraps his prosthetic fin and opens it_

_ like a fan._

** HICCUP (CONT'D)**

Okay. That's it. That's it, just
stick with good stuff. And don't
you mind me. I'll just be
back...here. Minding my own
business.

_ Hiccup cautiously approaches the injured tail, but every time_

_ he gets near it, Toothless sweeps it away like a cat._

HICCUP (CONT'D)

It's okay.

_ Hiccup drops a knee on top of the tail. Toothless' head juts_

_ up, slows its chewing to a halt._

** HICCUP (CONT'D)**

Okay...okay..

_ The dragon tenses, slowly spreading his wings. Hiccup straps_

_ the prosthetic fin in place. He cinches the straps._

** HICCUP (CONT'D)**

_ (PLEASED)_

There. Not too bad. It works.

_ Toothless BOLTS! He snaps his massive wings and takes to the_

_ air, carrying Hiccup with him._

"Hiccup!" Astrid yelled.

"It was so much fun." Hiccup said, daydreaming. Astrid punched him in

the arm.

>"Are you stupid? You could have been killed!" she yelled.<p>

"Jeez Astrid! I was trying to help Toothless."

HICCUP (CONT'D)

Woah! No! No! No!

_ Hiccup struggles to hold on to the tail. As the ground speeds_

_ away, Toothless immediately TIPS into a uncontrolled bank and_

_ dive._

_ Hiccup sees the folded fin rattling uselessly in opposition_

_ to its flared counterpart. Flap as he may, Toothless can't_

_ correct his trajectory._

_ Hiccup swallows his fear and crawls toward the folded_

_ prosthetic. He reaches it and YANKS it open. The flared, fan-_

_ like appendage catches the air, stabilizing the twisting_

_ tail._

HICCUP (CONT'D)

_ (excited, terrified)_

It's working!

_ Toothless arcs just short of the water and climbs... high_

_ into the air._

HICCUP (CONT'D)

Yes! Yes, I did it.

_ He glances back at Hiccup, busily holding the tail open while_

_ trying to hold on. They're going to crash._

_ Whoomp! Hiccup is suddenly thrown from the tail in the_

_ intense force of a turn._

HICCUP (CONT'D)

AAAAAGGGGHHHHH!

_ He bounces across the water's surface and takes a dive._

_ Without Hiccup to operate the tail, Toothless does the same,_

_ plunging in a massive cannonball._

_ Hiccup resurfaces, roughed up, but beaming. Toothless appears_

_ seconds later._

** HICCUP (CONT'D)**

Yeah**!**

"That actually worked?" Snotlout said, shocked. Something Useless had made actually worked?

_ EXT. TRAINING GROUNDS - MORNING_

** GOBBER (O.S.)**

Today is about teamwork. Work together and you might survive.

_ ON A DOUBLE-WIDE DOOR. Gas seeps through the cracks._

_ It BLASTS OPEN. A cloud of smoke engulfs the ring, swirling_

_ around the paired-up teens. Astrid with Ruffnut. Snotlout_

_ with Tuffnut. Fishlegs with Hiccup. All carry buckets of_

_ water, poised to throw them._

** GOBBER (CONT'D)**

Now, a wet dragon head can't light its fire. The Hideous Zippleback is extra tricky. One head breathes gas, the other head lights it. Your job is to know which is which.

_ The smoke encircles them, cutting them off from each other._

_ The teens LISTEN and WATCH for any sign of the dragon._

** FISHLEGS**

_ (muttering to himself)_

Razor sharp, serrated teeth that
inject venom for pre-digestion.
Prefers ambush attack, crushing its
victims in its...

** HICCUP**

_ (TENSE)_

Will you please stop that?

_ ON SNOTLOUT AND TUFFNUT_

**_ Moving nervously through the fog, back to back. Snotlout
is_**

_ singing to himself to calm his nerves._

** SNOTLOUT**

If that dragon shows either of his
faces, I'm gonna-

_ (spotting an approaching_

_ shape, terrified)_

-There!

_ Snotlout and Tuffnut HURL their water into the fog._

** ASTRID**

Hey!

** RUFFNUT**

It's us, idiots.

_ Astrid and Ruffnut are soaked._

** TUFFNUT**

Your butts are getting bigger. We
thought you were a dragon.

** SNOTLOUT**

_ (TO ASTRID)_

Not that there's anything wrong
with a dragon-esque figure.

"Have you forgotten where you live? A village that hates dragons

stupid." Hiccup said.

_ Astrid ELBOWS Snotlout in the face. Ruffnut DROPS Tuffnut_

_ with a PUNCH to the throat._

** ASTRID**

Wait**.**

_ They FREEZE. A tail SWEEPS out of the fog, taking them down._

_ Their buckets spill._

_ ON FISHLEGS AND HICCUP coming across them. They see the_

_ puddles of spilled water._

** TUFFNUT**

Oh, I'm hurt. I am very much hurt.

** FISHLEGS**

Chances of survival are dwindling

into single digits now...

** HICCUP**

Look out!

_ A Zippleback head emerges out of the smoke. Fishlegs hurls_

_ his water at it, completely dousing the head. It leers and_

_ opens its mouth, spewing gas into the area._

** FISHLEGS**

Oh. Wrong head.

_ GAS FLOWS around their legs. Fishlegs flees in a panic._

GOBBER

Fishlegs**_!_**

_ Beat. A clicking sound comes from behind them. Sparks flash_

_ in the smoke._

GOBBER (CONT'D)

Now, Hiccup!

**_ The other head sweeps out of the smoke. Hiccup hurls his_
**_ water with all his might. It arcs and drops short of the_
**_ dragon's sparking mouth. The dragon grins, savoring the
kill._**

** HICCUP**

Oh, come on!

** GOBBER**

RUN, HICCUP!

_ Gobber COVERS his eyes._

** GOBBER (CONT'D)**

Hiccup**!**

_ Beat._

_ The Zippleback hesitates. SNIFFS. Then retreats._

_ The teens get to their feet, watching transfixed. Gobber_

_ peeks through his fingers to see..._

**_ The Zippleback backing away from Hiccup. He stands and
holds_**

_ his hands out, as if controlling it._

The same Zippleback from training curled next to Hiccup. Hiccup
grinned and stroked its head.

** HICCUP**

BACK! BACK! BACK! Now don't you

make me tell you again!

**_ The Zippleback retreats through its door and into its
cave,_**

_ hissing._

** HICCUP (CONT'D)**

Yes, that's right. Back into your

cage.

**_ Hiccup slyly OPENS his vest, revealing the spotted smoked
EEL_**

_ from earlier. He TOSSES it inside the door, then SLAMS it_

_ shut._

** "***Sorry." Hiccup muttered to the dragon.

** HICCUP (CONT'D)**

Now think about what you've done.

**_ Hiccup turns to the teens and Gobber. They stare,
slack-jawed_**

** HICCUP (CONT'D)**

Okay! So are we done? Because I've
got some things I need to...

_ Hiccup jogs out of the ring, past the speechless group._

** HICCUP (CONT'D)**

Yep...see you tomorrow.

_ Astrid SNEERS. Something's going on._

"This is a series of clips showing Hiccup and Toothless growing
closer." Enchantress' voice said.

_ EXT. WOODS/COVE - SUNSET_

_ BEGIN MUSIC MONTAGE_

_ INT. BLACKSMITH STALL - HICCUP'S CLOSET - CONTINUOUS_

**_ Hiccup cuts and stitches leather, draws and shapes steel.
He_**

_ works by candlelight. An overhead shot reveals what he's_

**_ building: a harness, complete with handles and foot
pedals._**

_ EXT. COVE - DAY_

**_ Hiccup appears before Toothless, holding the new
prosthetic._**

_ Toothless runs off as Hiccup chases him down._

** HICCUP**

Hey!

In spite of themselves, the Vikings had to smile at the pair on
screen. They were playful, and they were happy. No one had ever seen
Hiccup that happy in a long time.

_ EXT. COVE - DAY_

_ Toothless and Hiccup are zooming over the ocean. The tail_

_ breaks free sending Hiccup flying._

** HICCUP**

Yeah! Whoa!

_ INT. BLAKCSMITH STALL - LATER_

_ Hiccup adjusts the harness and uses a metal clamp to affix_

_ himself to Toothless' saddle._

Gobber gaped at the screen, shocked at Hiccup's skills with metal.

"You are really good! WHY didn't you ever tell me?" Gobber asked.

"I didn't want to build weapons to kill dragons." Hiccup said, with his arms around Toothless, who was purring.

_ EXT. SKY/FIELD - DAWN_

_ Hiccup and Toothless zip through the air - his rudimentary_

_ harness and tail controls are working, barely. They crash-_

_ land in an open field._

_ Hiccup recovers to find Toothless still rolling around in the_

_ tall grass. Hiccup discovers that it's a patch of 'dragon-_

_ nip.' Toothless writhes on his back, tongue wagging, in_

_ complete bliss._

"You looked hilarious bud." Hiccup laughed. Toothless grinned.

_ EXT. TRAINING GROUNDS - MORNING_

_ Hiccup grabs the head as instructed, then discreetly pulls a_

_ fistful of 'dragon-nip' and presses it up to the Gronkle's_

_ nose. It immediately stops struggling and goes weak in the_

_ knees. Hiccup drops the handful of dragon-nip to the ground._

_ The Gronkle goes down with it, whimpering and blissful._

_ From Gobber and the recruits' point of view, Hiccup is_
_ controlling the Gronkle with no more than a limp arm._
_ EXT. WOODS - AFTERNOON_

_ The recruits walk home together, surrounding Hiccup and_
_ BOMBARDING HIM WITH QUESTIONS._
** FISHLEGS**

Hey Hiccup, I've never seen a
Gronkle to that before.

** TUFFNUT**

How'd you do that?

I used dragon nip. Really easy actually." Hiccup deadpanned. Astrid
laughed, while the Teens rolled their eyes.

** RUFFNUT**

It was really cool.

_ He squirms and invents an excuse._

** HICCUP**

I left my axe back in the ring.

_ He turns and hurries back._

HICCUP (CONT'D)

You guys go on ahead and I'll catch
up with you.

_ Astrid watches, suspicious._

_ EXT. COVE - LATER_

**_ Hiccup rubs Toothless behind the ear, causing him to
relax_**

_ and fall over._

Hiccup grins, remembering Toothless' expression after he had
scratched his special place. Toothless nudged his rider closer with
his rail, and Hiccup laid his head on his best friend's side, and
curled up in the safety of Toothless' wings, along with Astrid and
Val.

_ EXT. TRAINING GROUNDS - LATER_

_ An angry Deadly Nadder approaches Hiccup. Just as Astrid_

_ moves in to strike, Hiccup performs his special rubbing_
**_ technique, which sends the Nadder down. Astrid and the
other_**

_ kids look on from the sideline in amazement._

_ INT. MEADE HALL - CONTINUOUS_

**_ Hiccup sits down at a table to eat. The other recruits
notice_**

_ him and move over to his table to talk to him - leaving_

_ Astrid alone._

** FISHLEGS**

Hey Hiccup!

SNOTLOUT

What was that? Some kind of trick?

What did you do?

** TUFFNUT**

Hiccup, you're totally going to
come in first, there's no question.

Hiccup cringed, thinking of what he was going to have to do when they
got back to Berk.

_ EXT. COVE - LATER_

_ Hiccup is using a mirror-like object to create a patch of_

_ light on the ground. Toothless claws and chases the light_

_ patch like a cat chasing a laser pointer._

_ EXT. TRAINING GROUNDS - DAY_

_ A beam lifts from the door of another dragon pen._

** GOBBER**

Meet the Terrible Terror.

_ A tiny, pint-sized dragon steps out and moves toward the_

_ recruits._

** TUFFNUT**

Ha. It's like the size of my-

_ Tuffnut is taken down in a blur._

** TUFFNUT (CONT'D)**

Get it off! Get it off! Oh! I'm
hurt, I am very much hurt!

The Teens laughed.

"Nice catchphrase Tuffnut." Fishlegs chuckled. The said twin
huffed.

**_ Hiccup stops the Terrible Terror with the same
light-patch_**

_ trick he used earlier with Toothless. The tiny dragon_

**_ retreats back to it's cage. The teens approach him yet
again_**

_ as Astrid looks on with suspicion._

** TUFFNUT (CONT'D)**

_ (TO ASTRID)_

Wow, he's better than you ever
were.

Astrid scowled playfully and Hiccup hugged her.

"I'll never be as awesome as you." he whispered, and she smiled at
him. A small Terrible Terror crawled over to the group, and it curled
up on Astrid's lap. She stroked its head, and the small dragon began
to purr softly.

_ CUT TO:_

_ EXT. FOREST - MOMENTS LATER_

**_ Astrid furiously hurls her axe at a nearby tree. She
notices_**

_ Hiccup walking by in the distance, carrying one of his_

_ trademark harnesses. She quickly tries to follow, but he_

_ loses her in the woods._

_ She HUFFS, frustrated._

_ EXT. COVE - LATER_

**_ Hiccup straps a newly designed harness onto Toothless.
With_**

**_ Toothless tied to a nearby post with a rope. Hiccup rides
him_**

_ in the air - while stationary. Toothless looks like a giant_

_ kite tied to a tree stump. This harness seems to work._

_ EXT. SKY - MOMENTS LATER_

_ The rope breaks and the pair CRASH into a tree. Hiccup's face_

_ is red._

** HICCUP**

Oh, great.

"What happened?" Snotlout asked. Hiccup rubbed his neck.

"The hook that connected me to Toothless may have bent, and we may had gotten stuck together." he said. Astrid stared at him for a moment then burst out laughing.

"That's why you were so weird!" she said, clutching her sides. Hiccup huffed.

_ EXT. BERK - NIGHT_

_ The streets are empty save for a lone Viking who crosses_

_ Hiccup's path._

** VIKING**

Hiccup.

_ Hiccup nods, trying to look casual. Once the coast is clear,_

_ he covertly steers Toothless into the Blacksmith's stall._

_ Toothless PRESSES himself inside, rooting through stuff and_

_ making a racket. Astrid, walking nearby, is alerted._

** ASTRID (O.S.)**

Hiccup?

_ Hiccup FREEZES. Then frantically tries to pry the ring off_

_ the saddle hook. It won't budge._

ASTRID (CONT'D)

Are you in there?

_ Too late - she's right outside._

_ ON ASTRID walking along the outside of the Blacksmith's._

_ Hiccup JUMPS OUT the window and CLOSES the shutters behind_

_ him. Hiccup's harness line is stretched through the window,_

_ still attached to Toothless' saddle._

** HICCUP**

Astrid. Hey! Hi Astrid. Hi Astrid.

Hi Astrid.

** ASTRID**

I normally don't care what people
do, but you're acting weird. Well,
weirder.

The Teens began to laugh as they realized why Astrid was
laughing.

"You are awful at trying to being smooth, Hiccup." Astrid said.

**_ Toothless spots a nearby sheep and makes a move toward it.
As_**

**_ a result, Hiccup is suddenly PULLED TIGHT against the
window_**

**_ shutters. He STRIKES A POSE to compensate... then gets
PULLED_**

_ THROUGH the shutters. They snap back in Astrid's face._

_ Astrid reopens them and finds nothing but an empty stall._

_ In the distance, Toothless and Hiccup slip off unseen._

The screen faded there, and Enchantress' voice came over the
speakers.

"I have a small surprise for our special guest, Val. Vikings, as
usual, please do not harm this dragon. Ladies and Gentlemen, please
welcome Cloud Jumper." she said, and a dragon that was pale tan, with
two horns with red streaks on them appeared. Instead of having two
wings, it had four, and it was about twice the size of Toothless. The
dragon glanced around the room, and bounded over to Val when he saw
her. He nuzzled her shoulder, and Val laughed and hugged the dragon.
Hiccup and everyone else gaped at the dragon, and Stoick's face was
red with anger.

The Vikings stared at the dragon next to Val. Stoick scowled darkly.

"That's the dragon who took you away from me." he said, and Val glared at him.

"No. It was my decision. I told you not to harm these amazing creatures, but did you listen? No. Look where it's gotten you." she said, crossing her arms. Hiccup stared at the dragon, and remembered something.

"I've seen you before." he whispered. Val smiled at him, and they sat back down, with Cloud Jumper lying next to them on the floor.

"You found it, didn't you?" she whispered, and the two teens nodded.

** STOICK**

Not even close.

_ Ah. Excellent._

_ CUT TO:_

_ EXT. SKY - AFTERNOON_

_ Toothless and Hiccup soar through a perfect blue sky._

**_ Billowing clouds rise like mountains. The ground seems

miles_**

_ below them._

"Oh gods. Remember this, bud?" Hiccup asked, grinning. Toothless snorted.

** HICCUP**

Okay there bud, we're gonna take

_ this nice and slow._

_ Hiccup checks a leather cheat sheet, clipped onto his_

_ harness. Inscribed upon it are several tail positions and_

_ their pedal position equivalents._

_ "Wow. You made that?" Fishlegs asked, intrigued, and Hiccup nodded enthusiastically.

** HICCUP (CONT'D)**

Here we go. Here we go...position

_ three, no four._

_ He presses the pedal, causing the tail to flare. They roll_

_ off into an arcing bank, gloriously lit by the late afternoon_

_ Hiccup tucks tight against his neck, thrilled that his new_

_ Hiccup sizes up a target - a towering arch of stone, rising_

*****HICCUP (CONT'D)**

_ Hiccup extends his arms and legs, giving himself as much_

**_ surface area as he can. He angles back towards Toothless
as_**

_ the tumbling dragon WHACKS Hiccup with his wing._

"That was terrifying." Hiccup said, remembering the feeling of just
falling with nothing to catch him.

_ After a few more misses, Hiccup finally GRABS HOLD of the_

Tuffnut said. Hiccup rolled his eyes at their stupidity.

** HICCUP**

_ Uh..no thanks._

_ (gesturing to his fish on_

_ A STICK)_

_ (PENSIVE)_

Everything we know about you guys

The Vikings watched as on-screen Hiccup stroked the Terrible Terror, and the creature purred. Who knew that dragons could be like that?

"We'll be having a break for a while. Once you come back, someone will be waiting here for you. Don't harm him, and don't ask him any questions. I'll explain all I can." Enchantress said. Hiccup was still for a moment before jumping onto Toothless' back and looking at Astrid and Val.

"Coming?" he asked, and the two jumped onto their dragons and followed him. Everyone could hear their laughter throughout the halls. The large crowd eventually left the room to do their own things. Hiccup flew through the halls, and came to a large courtyard. It was split into different sections. One was green, with a sea-green cabin at the end, and a campfire in the front, and there was a painting of a trident.. Another had a hoop on a stick at the end, and the ground was streaked with red and gold, and green and silver. At the end of the section was a painting of a lion and a serpent. Astrid and Val landed next o him.

"What is this place?" Astrid asked, and Hiccup shrugged. The three walked around while their dragons played in the grass, and they discovered two more sections. One had a large, black lamppost, with a painting of a large lion at the back. The other was ice, with green grass, and a painting of a large white dragon, which had grey streaks. Val gasped at this.

"What is it?" Hiccup asked.

"That is the Alpha dragon, the Bewilderbeast." she said, hushed. Hiccup and Astrid gaped at the painting.

"I thought the queen was the Alpha." Hiccup asked.

"No. Every next has it's queen, but all dragons answer to the Alpha." Val said, shaking her head. They stood there for a while before heading back. There were already people in the room when they got there, but they were all focused on one thing in the middle of the room.

"What's everyone staring at?" Hiccup asked, and he pushed through the crowd, then went slack.

"What in the name of Thor's hammer?" he said. Standing in front of them all was a man, about twenty years old, who had short brown hair, with small braids in the back. His skin was tanned, and his eyes were bright green. He was wearing black clothes, which had a red dragon on one shoulder, and he was missing a leg.

"Who are you?" Hiccup asked, taking out his knife. The man looked at him and grinned.

"My name is..."

The man grinned at Hiccup.

"My name's Hiccup." he said, then he laughed at their expressions. The other Vikings walked in, and Ruffnut stopped short when she saw the guy standing in the middle.

"Ohhhhhh yes. Me Likey." she said, walking towards him slowly******(A/N-See what I did there? If not, look up Son of Eret on Youtube.)******. At that moment, Stoick walked in, and the guy looked at him with a type of wistful sadness.

"Hey Dad." he said, and Stoick stopped.

"Who are you?" he asked, and the guy smiled.

"I kinda just went over this. I'm Hiccup." he said, rolling his eyes. Enchantress appeared, and looked around at the ground.

"You need to explain this better than that." she said, turning to the older man.

"I'm awful at explaining things." he said.

"Fine, I'll do it. Hiccup is from five years in the future, and he has lost one of his legs, but I won't say how. Hiccup knows about everything that has happened, and knows even more. No one is allowed ask him any questions about the future, except the younger Hiccup. If he gives you answers, Hiccup, you cannot tell anyone." Enchantress said. The Vikings nodded, and they all sat down, many of the people staring at Future Hiccup. He, however, ignored them and sat next to the current Hiccup, and the two leaned back against Toothless.

"When this is done, I have to explain some things to you." the older Hiccup leaned over to his younger counterpart.

****Hiccup POV****

Hiccup stared at his older version.

"What do you need to tell me?" he asked, and Older Hiccup ran a hand through his hair.

"You have to promise that you won't tell anyone this, not even Mom or Astrid." he said, and Hiccup nodded, not understanding.

"Okay, first: After the fight against the Red Death, or the Queen as you know her, Vikings and Dragons become friends. One day, I was flying with Astrid and we discovered a man trying to capture dragons for a man named Drago, and he was creating a mass dragon army. Anyway, I was taken by a massive dragon, and I found out that Mom was still alive. She showed me a huge dragon nest, where the Alpha was. I stayed there for a few days, when Dad and Gobber found us, and were then the worst happened. Drago came and began to trap every dragon. Me and Toothless did everything we could, but it turned out that Drago had his own Bewilderbeast, and he took over all the dragons, including Toothless. Toothless didn't recognize me, and blasted me with a plasma bolt, but dad pushed me out of the way. Ice chunks fell onto him, and me and Mom rushed to his side, but it was too late. My father, the proud and strong, and brave Stoick, was gone forever." Older Hiccup said, and Hiccup stood shock-still for a second, before he felt tears pricking at the back of his eyes, and he fell against the wall, and put his head in his hands.

"That's not possible. My dad can't die. He's Stoick the Vast, chief of Berk. He's the leader, he's a strong man! He can't die!" Hiccup said, shaking his head, and Older Hiccup sat next to him and wrapped an arm around his shoulders.

"I thought so too. Don't worry. He died protecting us. I would go easier on him." he said, and Hiccup looked at his older self.

"Don't worry. We defeat Drago in the end, and Berk returns to normal.

I even turned Drago's largest supporter into a dragon lover, and I asked him to take care of Dad's dragon. It'll be fine." Older Hiccup said, and stood, helping Hiccup up. They both walked back to the hall, and stopped in their tracks. It was hectic. Standing in the middle of the room was a man with dark hair, and markings on his chin, and who was wearing furs, and a dragon with a green body, and a red head, with three horns. The older Vikings were standing up, and had their fists out, with Stoick in front. the man backed up a bit after seeing Stoick, but the dragon slowly stretched forward, almost longingly. Older Hiccup ran in front of the man and held out his arms.

"Stop! This guy is nice. He's one of my friends." he said, and the man nodded. The Vikings turned to Stoick, and he glared at the man before backing up. Older Hiccup breathed a sigh of relief.

"Okay. This is my friend, Eret. This is his dragon, Skull Crusher." he said, and Eret shrugged.

"I wouldn't say that, Hiccup. Skull is..." Eret began, but Older Hiccup placed a hand over his mouth.

"They don't know. Only the younger me knows." he said, and Eret looked over at Hiccup and began to laugh.

"That's you? Wow. No wonder Snotlout called you 'Useless'." he said, and Older Hiccup scowled.

"Anyway, shall we carry on with the movie?" Stoick said, crossing his arms.

"Sorry." Astrid chirped, and Hiccup laughed.

"I think you almost broke my ribs." he joked, and Toothless snorted.

**_ Hiccup's YELP is answered with A GROWL, coming from the
other_**

_ side of the cove. Astrid looks up to see..._

**_ A NIGHT FURY. Toothless pounces toward them,
snarling._**

*****HICCUP**

_ (FEEBLE)_

_ Oh man._

_ She dives onto Hiccup._

*****ASTRID**

_ Get down! Run! Run!_

"Yes! Let's run away from my best friend! That won't provoke him at all!" Hiccup said, and Astrid laughed and patted Toothless' head.

_ Astrid pulls her axe, ready to take on Toothless._

** HICCUP**

_ No!_

_ Hiccup knocks Astrid's cocked axe to the ground, out of_

_ reach, then stops Toothless short of crushing her._

** HICCUP (CONT'D)**

_ No. It's okay! It's okay..._

_ Toothless pulls up short and lands hard, SPRAYING Astrid with_

_ sand._

** HICCUP (CONT'D)**

_ (CALMING)_

_ She's a friend._

"Why was he so angry?" Fishlegs asked, intrigued. Hiccup smiled at the eager boy.

"Probably because I had told him about what happens in the village, and everything that's happened." he said, and the other Teens eyed the large Night Fury warily.

**_ Toothless snorts in disagreement. Astrid is frozen.
Toothless_**

_ looks from her to Hiccup and back to her, confused._

** HICCUP (CONT'D)**

_ (TO ASTRID)_

_ You just scared him._

** ASTRID**

_ I scared him!?!_

_ Hiccup makes a "be quiet" motion._

** ASTRID (CONT'D)**

_ (INTENSE WHISPER)_

_ Who is him?_

*****HICCUP_.**

****_Astrid, Toothless. Toothless,_

_ Astrid._

_ Astrid backs away, eyeing Hiccup and Toothless together with_

_ pure disgust. She turns and RUNS for the village._

** HICCUP**

_ We're dead._

_ Satisfied with Astrid's departure, Toothless turns away._

** HICCUP (CONT'D)**

_ (TO TOOTHLESS)_

_ Where do you think you're going?_

_ EXT. WOODS - MOMENTS LATER_

_ ASTRID races through the trees. A large shadow overtakes her._

_ She is suddenly SNATCHED into the air. Astrid SCREAMS._

*****ASTRID**

_ Oh great Odin's ghost, this is it!_

_ Hiccup and Toothless fly Astrid to the top of a towering_

_ pine. It bows and creaks under their weight as Astrid dangles_

_ a hundred feet in the air._

*****ASTRID (CONT'D)**

_ Hiccup! Get me down from here!_

*****HICCUP**

****_You have to give me a chance to_

_ explain._

*****ASTRID**

****_I'm not listening to ANYTHING you_

_ have to say!_

"Yes you are. And you loved it." Hiccup said, poking gthe Viking girl, who pushed his hand away, her eyes sparkling as she stroked the two most deadly dragons in the world.

*****HICCUP**

_ Then I won't speak. Just let me_

_ show you._

_ Hiccup extends a hand._

** HICCUP (CONT'D)**

_ Please, Astrid._

_ She eyes him and the dragon, then the ground far, far below._

_ After a moment, she swats Hiccup's outstretched hand away and_

_ reluctantly climbs over the pedal, lines, and harness. She_

_ settles behind Hiccup, avoiding as much contact as possible._

** ASTRID**

_ Now get me down._

*****HICCUP**

_ Toothless? Down. Gently._

"Ha! That didn't work well, did it?" Older Hiccup said, remembering Astrid's face. Hiccup laughed with him.

_ Toothless leers mischievously. He spreads his wings slowly._

_ With a WHOP, they fill with the updraft. Toothless releases_

_ the tree, tucks in his legs, and HOVERS in place._

** HICCUP (CONT'D)**

_ See? Nothing to be afraid of._

_ Toothless suddenly LAUNCHES straight upward. Astrid SCREAMS._

_ The acceleration is tremendous. Every downbeat bucks the_

_ saddle, heaving them into the sky, doubling their speed like_

_ a rocket. Astrid is thrown backward. She SCREAMS and hugs_

_ Hiccup for dear life, squeezing the breath out of him._

** HICCUP (CONT'D)**

****_Toothless! What is wrong with you?!_

_ Bad dragon!_

_ (mortified; to Astrid)_

_ He's not usually like this. Oh_

_ no..._

_ Toothless ROLLS and PLUMMETS toward the coastline far below._

_ Astrid SCREAMS._

_ Toothless rockets over the ocean waves, deliberately dipping_

_ them in the froth._

_ HICCUP (CONT'D)_

****_Toothless, what are you doing?!_

_ We need her to like us!_

_ Toothless rockets skyward and begins tumbling head over tail._

** HICCUP (CONT'D)**

****_And now the spinning. Thank you for_

_ nothing you useless reptile._

Toothless slapped Hiccup on the back of the head, glaring at him. Hiccup rubbed his head.

"I was joking bud! Jeez!" he grumbled.

_ Astrid clamps her hand over her eyes._

_ ASTRID_

_ Okay! I'm sorry! I'm sorry! Just_

_ get me off of this thing._

_ Astrid is defeated, her aggressive energy gone. Satisfied,_

_ Toothless relents._

_ They level off and head up into the clouds. Astrid opens her_

_ eyes again, and looks out over a world she'd never dreamed_

_ of. She reaches out and touches clouds, pierces columns_

_ ablaze in golden hues, and floats over a vast, alien sky-_

_ scape. Her terror is replaced by wonder. She grins, despite_

_ herself._

As did the Teens, except for Snotlout. Who knew riding on a dragon could be so beautiful?

_ Toothless rises above a blanket of clouds..._

_ DISSOLVE TO:_

_ EXT. SKY - NIGHT_

_ ...and levels off under a starry sky. They emerge from a_

_ blanket of clouds under the dancing Northern Lights,_

_ shimmering in ribbons across the vast sky._

_ Below them, Berk's torches flicker in the inky darkness. The_

_ new perspective is breathtaking._

_ Astrid tucks her arms into Hiccup's vest, burying her chin_

_ into his shoulder. The moment is not lost on either of them._

_ Hiccup smiles nervously._

_ Toothless climbs past Berk's tallest peaks and heads out over_

_ open water, leaving the village lights behind them._

** ASTRID**

****_Alright I admit it. This is pretty_

_ cool. It's... amazing._

_ (BEAT)_

_ He's amazing._

_ Astrid carefully reaches down and pats Toothless' side._

** ASTRID (CONT'D)**

****_So what now?_

_ Hiccup groans. It's a problem without an answer._

** ASTRID (CONT'D)**

****_ Hiccup, your final exam is_

_ tomorrow. You know you're going to_

_ have to kill..._

_ (WHISPERED)_

_ ... kill a dragon._

** HICCUP**

_ Don't remind me._

"Oh Thor. I forgot about that." Hiccup groaned, and Older Hiccup rubbed his back.

"Don't worry. It'll be fine." he whispered.

_ A strange, unearthly din approaches. Toothless' ear plates_

_ suddenly stand on end. Panicked, he abruptly dives, dipping_

_ into cloud cover._

** HICCUP (CONT'D)**

_ Toothless! What's happening? What_

_ is it?_

"Oh no. Hiccup..." Astrid turned to him, her eyes showing her fear, and Hiccup's mirrored hers. Older Hiccup placed his hands on both their shoulders.

"It's alright. Eret, Mom, and I will make sure nothing happens to you guys." he said, and the two breathed sighs of relief.

_ Toothless BARKS at him. 'Quiet!'_

_ Suddenly, out of the dense cloud, a Monstrous Nightmare_

_ emerges._

** HICCUP (CONT'D)**

_ Get down!_

**_ Hiccup and Astrid duck. The Nightmare calls out. A
Zippleback_**

_ appears to the other side of Toothless, boxing him in._

** ASTRID**

_ What's going on?_

*****HICCUP**

_ I don't know._

_ (BEAT)_

****_Toothless. You've got to get us out_

_ of here, bud._

_ Toothless HISSES._

_ Other dragons, previously invisible in the thick clouds,_

**_ appear all around them. HUNDREDS of them, all carrying
fish_**

_ and game in their talons._

Val realized what was going on.

"The Queen." she muttered, putting a hand to her mouth. Hiccup nodded
weakly.

** HICCUP (CONT'D)**

_ (WHISPERED)_

****_It looks like they're hauling in_

_ their kill._

_ The Zippleback eyes them ravenously._

** ASTRID**

_ What does that make us?_

**_ The dragons BANK and dive in formation, plummeting
through_**

**_ the thickening fog and weaving between towering, craggy
sea_**

_ stacks._

_ They emerge at the base of a massive volcanic caldera,_

**_ glowing with rivulets of lava. The flock of dragons fall
into_**

_ rank, funneling through a crack, and zipping through a_
_ winding tunnel._
_ It gives way to a vast, steamy inner chamber, tiered with_
_ pocky shelves. Dragons of all breeds lay about, nested in_
_ hordes._

Stoick's eyes glittered with interest. It was the nest. And now he knew how he was going to get there.

_ The arriving dragons fly in, dropping the fish and game into_

_ a central pit, glowing red and shrouded in mist._

_ Hiccup is amazed._

** HICCUP**

****_ What my dad wouldn't give to find_
_ this._

_ Toothless peels away from the procession, landing on a small_

_ shadowy shelf to keep a low-profile._

_ Hiccup and Astrid peek around, taking in the busy hive of_

_ sorts. They watch as the food continues to be dropped into_

_ the pit._

** HICCUP (CONT'D)**

****_It's satisfying to know that all of_
_ our food has been dumped down a_
_ hole._

*****ASTRID**

_ They're not eating any of it_

_ Last to arrive is a dim-witted Gronckle. It hovers over the_

_ pit and regurgitates his paltry contribution - a pathetic_

_ little fish. As it falls into the steamy pit, a terrible ROAR_

_ rings out._

_ The Gronckle tries to flee, but before it can, a gargantuan_

_ dragon head juts from the steamy pit and SNAPS it out of the_

_ air. Swallowing it back whole._

_ Hiccup and Astrid recoil, terrified._

"What in the name of Odin was that?" Spitelaut said, his eyes wide. Hiccup smiled grimly.

"The Queen." he stated.

** ASTRID (CONT'D)**

_ What is that?_

_ The monstrous beast SNIFFS the air, seemingly aware of them._

_ It nears the ledge where Toothless is hiding... and ROARS._

_ Several dragons take flight in fear._

*****HICCUP**

****_Alright buddy, we gotta get out of_

_ here. Now!_

_ Toothless takes flight, barely evading the monster's snapping_

_ jaws._

_ The behemoth dragon lunges for them, snatching a Zippleback_

_ out of the air instead._

_ Toothless disappears into the winged exodus as thousands of_

_ dragons flee the caldera in fear._

"Well! This has been an exciting day, but I think it's time for everyone to get some rest. Your bedrooms are just down this hall, and your names are above the doors. Dragons, you have a separate room, but if any of the dragons with riders want to sleep in their rider's rooms, you can. Goodnight!" Enchantress appeared on the screen and waved her hands. The Vikings went down their hallway, and into their bedrooms. Hiccup lay on his bed, thinking the day over. Toothless snored quietly in the corner. Hiccup hoped that the next day would be better.

The next day, everyone woke up early, excited for the next segment of the movie. Hiccup and Toothless were the last in the hall, having slept late, and they had stayed in the room for a while, with Hiccup scratching his best friend, and grabbing a few moments of peace before his father blew up again. Hiccup had a feeling it would happen again. Once they were in, the movie began.

No, no, it totally makes sense.

_ It's like a giant beehive. They're_

Val looked at Astrid, impressed.

"Well done!" she praised, and Astrid glowed.

****_ She leaps off of Toothless and runs toward the village._****

**** ASTRID (CONT'D)****

****HICCUP****

No, no! Not yet. They'll... kill

_ (MORE)_

** HICCUP (CONT'D)**

Astrid, we have to think this

_ through carefully._

_ Astrid eyes him, incredulous._

ASTRID

Hiccup, we just discovered the

_ dragons' nest...the thing we've_

_ been after since Vikings first_

_ sailed here. And you want to keep_

_ it a secret? To protect your pet_

_ dragon? Are you serious?_

Hiccup shot a look at Astrid, and she rolled her eyes at him.

"I know you are." she said.

_ Hiccup stands firm, resolute._

HICCUP

_ Yes._

Older Hiccup smiled.

"You got that right." he said, and Toothless purred, much to the amusement of the two Hiccups.

_ Astrid's taken aback._

ASTRID

_ Okay._

_ (BEAT)_

_ Then what do we do?_

** HICCUP**

Just give me until tomorrow. I'll

_ figure something out._

ASTRID

_ Okay._

_ Astrid PUNCHES Hiccup in the arm._

** ASTRID (CONT'D)**

_ That's for kidnapping me._

_ Hiccup looks to Toothless for support. Toothless SNORTS,_

_ dismissive._

"Suuuuure! When she follows us into the Cove, you freak out, but when she punches me in the shoulder, you don't do anything! Thank's bud!" Hiccup said sarcastically. Toothless snorted, like in the movie.

_ Astrid grabs him. He braces for another hit. She KISSES_

_ Hiccup on the cheek._

** ASTRID (CONT'D)**

_ That's for, everything else._

_ In the awkward wake of the moment, Astrid hurries off..._

_ leaving Hiccup RUBBING his cheek, stunned._

_ Toothless hobbles up, eyeing him._

** HICCUP**

_ What are you looking at?_

_ EXT. TRAINING GROUNDS - DAY_

_ The grounds have been transformed. Banners and flags flap in_

_ the morning sun. Surrounding the ring, a festive crowd had_

_ gathered. All of Berk has turned out for the event._

"Greeeeeat." Hiccup drawled, happy that the entire village had turned out to watch him get humiliated. Older Hiccup ruffled the younger one's hair.

"It gets better." he whispered.

** STOICK**

_ (aloud to the crowd)_

Well, I can show my face in public

_ again._

_ LAUGHTER AND APPLAUSE_

** STOICK (CONT'D)**

_ (PLAYFUL)_

If someone had told me that in a

"NOOOOOOOOOOOOOO! There goes my brains, thin body, and everything else I love about myself." Hiccup moaned, and the dragons snorted, while the Vikings scowled.

_ CHEERS and ROARS._

_ Astrid approaches Hiccup._

** ASTRID**

_ Be careful with that dragon._

** HICCUP**

_ (re: the roaring crowd)_

_ It's not the dragon I'm worried_

_ about._

ASTRID

_ (WORRIED)_

_ What are you going to do?_

HICCUP

_ Put an end to this._

_ She eyes him, dubious._

** HICCUP (CONT'D)**

_ (BEAT)_

Astrid. If something goes wrong...

_ just make sure they don't find_

_ Toothless._

** ASTRID**

_ (GRIM)_

_ I will. Just promise me it won't go_

_ Hiccup can't. Gobber approaches._

** GOBBER**

_ It's time, Hiccup. Knock him dead._

Hiccup shuddered at the choice of words.

"I'd rather not." he muttered.

_ Hiccup puts his helmet on and enters the ring._

_ ON THE TEENS_

_ HOOTING and HOLLERING from the stands._

** TUFFNUT**

Show 'em how it's done, my man!

_ Hiccup locks eyes with Stoick. Stoick nods with a smile._

_ Hiccup returns a half-smile. Takes a deep breath._

_ He hoists a shield onto his forearm and selects his weapon_

_ from a rack of many - a small dagger._

** STOICK**

_ (MUTTERED)_

Hrmph. I would've gone for the
_ hammer._

_ Hiccup turns to face a bolted, heavy door. Takes a deep_

_ breath._

HICCUP

_ I'm ready._

_ The door bolt is raised. The crowd grows quiet..._

_ Beat._

_ BOOM! The doors blast open with a stream of sticky fire._

**_ Followed by a Monstrous Nightmare, coated in flames. It
tears_**

**_ out of its cave like an irate bull - as the crowd roars
and_**

_ jeers._

**_ It climbs the walls and chain enclosure like a bat,
hissing_**

_ at the provoking crowd and blasting fire._

**_ It spots Hiccup and descends, leering and licking the
flaming_**

_ drool from its lips._

_ The crowd grows silent, bracing for the big fight._

**_ With the Monstrous Nightmare's eyes locked upon him,
Hiccup_**

**_ deliberately drops his shield and dagger stepping away
from_**

_ them. The dragon pauses, confused._

_ ON STOICK, also confused._

** STOICK**

_ What is he doing?_

**_ The dragon presses closer, snorting. Hiccup extends his

open_**

_ hand. It snarls._

HICCUP

_ (WHISPERED)_

_ It's okay. It's okay._

Stoick's face grew red.

**_ The dragon continues to pace, focused on... HICCUP'S
HELMET._**

_ Hiccup realizes, then reaches up and removes it. Taking a_

**_ breath to acknowledge the point of no return, he tosses
the_**

_ helmet aside. It hits the ground._

** HICCUP (CONT'D)**

_ I'm not one of them._

Hiccup gulped, and glanced at his father, whose face was even more
red.

STOICK

_ Stop the fight._

HICCUP

_ No. I need you all to see this._

_ The crowd gets restless._

** HICCUP (CONT'D)**

They're not what we think they are.

_ We don't have to kill them._

** STOICK**

_ I SAID STOP THE FIGHT!_

**_ Stoick whacks his hammer against the iron enclosure,
rattling_**

_ the arena with a terrible reverberating clatter._

**_ Spooked, the Nightmare snaps at Hiccup's outstretched
hand._**

_ Hiccup YELPS and springs backward._

**_ The spell is broken. The Nightmare reacts to Hiccup's
sudden_**

**_ movements and blasts another stream of fire. Hiccup
SCREAMS_**

_ and barely dives out of reach._

_ EXT. COVE - CONTINUOUS_

_ ON TOOTHLESS_

_ His ear plates shoot up. Panic flares in his eyes._

"I'm really glad you're stuck down there, bud." Hiccup said, patting
his friend on the head. Older Hiccup smiled and shook his head.

_ EXT. TRAINING GROUNDS - CONTINUOUS_

_ Hiccup scrambles around the ring. The Nightmare pursues,_

_ snapping and springing from ground to wall._

**_ Stoick pushes through the crowd, rushing to the
doorway._**

STOICK

_ Out of my way!_

** ASTRID**

_ Hiccup!_

_ Astrid wedges her axe under the arena gate and squeezes_

_ through._

"What are you doing?" Hiccup yelled.

"Trying to save your life!" Astrid yelled back, slapping his
head.

_ EXT. COVE - CONTINUOUS_

_ Toothless bounds to the cove walls, clawing them in_

**_ desperation. It seems he's as trapped as before, but with
an_**

_ incredible BURST of effort he HOOKS a claw over the upper lip_

_ of the stone wall._

"Toothless! You too?" Hiccup said, exasperated, and Toothless snorted, and put his head in Hiccup's lap.

_ EXT. TRAINING GROUNDS - CONTINUOUS_

_ A narrow stream of fire narrowly avoids Hiccup as he_

_ continues to dash around the ring, evading the Monstrous_

_ Nightmare. Desperate, he goes to the weapon rack in an_

_ attempt to arm himself, but the Nightmare quickly destroys_

_ the rack and closes in on him._

_ EXT. COVE - CONTINUOUS_

_ Toothless tears through the woods, bounding like panther and_

_ taking to the air in short bursts._

_ EXT. TRAINING GROUNDS - CONTINUOUS_

_ Stoick wrenches the grated door to the arena and jumps_

_ through. The Monstrous Nightmare is only a few feet behind_

_ Hiccup. Astrid is now in the ring._

ASTRID

_ Hiccup!_

_ She picks up a hammer and hurls it at the Monstrous_

_ Nightmare, hitting it in the head. It turns its attention to_

_ Astrid, and begins chasing her. Stoick raises the arena gate,_

_ waving her toward it._

STOICK

_ This way!_

_ Astrid makes it through, but the Nightmare BLASTS the_

_ doorway, cutting Hiccup off. It pounces on him and prepares_

_ to finish him off._

_ Suddenly, a terrible roar pierces the din._

GOBBER

_ Night Fury! Get down!_

"Oh gods." Hiccup mumbled, putting a hand over his forehead.

_ Toothless bounds over the crowd and BLASTS a hole through the_

_ chain enclosure. He flies through it and disappears in the_

_ boiling smoke._

_ The Vikings rush to railings... in time to see a flurry of_

_ wings cutting through the dissipating smoke. Toothless and_

_ the Nightmare tumble into the clear, locked in a toothy,_

_ vicious fight. Toothless kicks the Nightmare off and plants_

_ himself between Hiccup and it._

The Vikings were shocked at how protective Toothless was of Hiccup. Anyone with half of a brain could see that the two shared a special bond.

_ The Nightmare snarls, circling them. Toothless lunges and_

_ ROARS... causing the Nightmare to relent and back away._

_ To everyone's shock and horror, Hiccup gets to his feet and_

_ grabs Toothless protectively._

HICCUP

_ (PANICKED)_

Alright, Toothless, go. Get out of

_ here!_

_ The crowd is gob-smacked, growing livid._

VIKINGS

_ Night Fury!_

**_ Hiccup tries to shoo Toothless away in vain. Vikings

begin_**

**_ pouring clambering through the enclosure and dropping
into_**

_ the ring._

HICCUP

_ Go! GO!_

VIKING

_ Take it alive!_

"No!" Hiccup yelled, wrapping his arms around Toothless tightly.

**_ Stoick grabs an axe and charges into the arena. Astrid
calls_**

_ out to him, panicked._

ASTRID

_ Stoick no!_

** HICCUP**

_ Dad! No! He won't hurt you!_

**_ The other Vikings surround and attack Toothless. He
tosses_**

_ them aside like rag dolls, his eyes focused on Stoick._

** HICCUP (CONT'D)**

No, don't! You're only making it

_ worse!_

_ Stoick raises his hammer as he charges for Toothless._

**_ Toothless ducks and pounces on him. They tumble end over
end._**

** HICCUP (CONT'D)**

_ Toothless! STOP!_

**_ He pins Stoick and inhales. The familiar hiss of gas
builds._**

_ Everyone braces..._

** HICCUP (CONT'D)**

_ NO!_

**_ Toothless swallows back the blast and turns to Hiccup,

not_**

_ understanding._

** VIKING**

_ Get him!_

_ The crowd rushes him, piling on, and taking Toothless down._

_ Astrid holds Hiccup back._

"No." Hiccup whispered, hiding his face in Toothless' side, his shoulders shaking. Astrid put her hand over her mouth, tears springing into her eyes. Midnight curled around her friend tightly. Older Hiccup Sighed, and pinched the bridge of his nose and shook his head. Val gasped and wrapped her arms around her son, While Cloudjumper rested his head on her back..

HICCUP

_ (DESPERATE)_

_ No! Please...just don't hurt him._

_ Please don't hurt him._

_ Stoick gets to his feet, fuming, shaken. A Viking presents_

_ Stoick with an axe. He eyes Toothless a moment, then pushes_

_ the axe back into the Viking's hands._

STOICK

_ Put it with the others!_

_ His burning glare turned to Hiccup._

The scene ended, and the screen turned black. The only sound in the room was of Hiccup's muffled sobs. Stoick didn't feel anything but anger. He was madder then anyone had ever been in the history of Vikings.

"How could you betray your own family, Hiccup?" Stoick burst out, his face beet red. Hiccup whipped his head around to his father, his eyes red.

"I DIDN'T BETRAY MY FAMILY! I WAS TRYING TO SHOW YOU DOLTS THAT DRAGONS AREN'T THAT BAD! THAT WE CAN BECOME FRIENDS WITH THEM! IT ISN'T THEIR FAULT THEY HAVE TO ATTACK US!" Hiccup yelled back at Stoick.

"Dragons are deadly beasts that need to be killed, Hiccup. Why can't you see that?" Stoick said, attempting to keep calm. Hiccup just ignored his father, and went back to curling up next to Toothless, safe in his friend's embrace.

HICCUP

_ Did I say nest?_

"Oh Thor." Hiccup muttered, putting his hands over his face.

_ Hiccup goes silent - he said too much._

** STOICK**

_ How did you find it?!_

HICCUP

_ No... I didn't. Toothless did._

_ Only a dragon can find the island._

"Why can't I stop talking?" Hiccup whispered, shaking his head miserably. Toothless nudged his rider sympathetically.

_ Stoick GLARES. A moment passes, then an idea takes form on_

**_ his face. His eyes flare. Hiccup watches, realizing.
Stoick_**

_ stomps toward the doorway._

** HICCUP (CONT'D)**

_ Oh no. No, Dad. No._

_ Hiccup chases after him, panicked._

** HICCUP (CONT'D)**

_ Dad. It's not what you think. You_

_ don't know what you're up against._

_ It's like nothing you've ever seen._

**_ He grabs Stoick by the arm, tugging with all his might.
He_**

_ has no effect whatsoever._

** HICCUP (CONT'D)**

Dad. Please. I promise you that you

_ can't win this one._

_ Nothing._

** HICCUP (CONT'D)**

_ No. Dad. No. For once in your life,_

_ WOULD YOU PLEASE JUST LISTEN TO_

_ ME?!_

Hiccup snorted.

"Why would he do that? I'm a disappointment." he said, no bothering to keep his voice down.

_ He throws Hiccup off of him, SWATTING him to the floor._

_ Icy stillness. Hiccup stares back, stunned._

** STOICK**

You've thrown your lot in with

_ them. You're not a Viking._

_ (BEAT)_

_ You're not my son._

Stoick stopped smiling. Hiccup lifted his head up from his hands, tears in his eyes. Then he focused his glare on Stoick.

"Good. Because I hate you, and I am never going to speak to you again! I am embarrassed to be related to you, and I hope I can stay with the dragons after this is over, because I am never going near you again. Hiccup said in a cold, unforgiving voice, and he stood and ran out of the room, followed closely by Toothless. Astrid put her hands over her mouth, and stood.

"Hiccup!" she yelled, and ran out of the room, with Midnight following her. Val gave Stoick a withering glare.

"How dare you." she said. Stoick remained impassive, until Gobber turned to him.

"You should apologize to your son, Stoick." he said, and Stoick glared at him.

"He's not my son." Stoick said, crossing his arms. Gobber hit him in the arm.

"What was that for?" Stoick yelled.

"YOU SHOULD BE ASHAMED! VERY ASHAMED OF WHAT YOU SAID AND DID TO HICCUP! EVERYTHING HE EVER DID WAS TO PLEASE YOU!" Gobber yelled. Stoick looked away from his friend.

_ Stoick pushes through the door, leaving Hiccup alone, _

_ devastated. _

** STOICK (CONT'D)**

_ (CALLING OUT)_

_ EXT. GREAT HALL - CONTINUOUS _

_ Stoick staggers on the steps, breaking inside. _

_ EXT. DOCKS/OPEN SEA - DAY _

_ Broken-down catapults and trebuchets are bundled up and _

_ lowered from the cliffs. _

_ Below on the docks, Vikings load the heavy artillery into the _

_ hulls of awaiting ships. Children and the elderly gather to _

_ on the walkways to wave apprehensive farewells to the _

_ departing warriors. _

_ Lastly, Toothless is loaded aboard Stoick's ship, chained _

_ down to a palette, muzzled, and restrained with a weighty _

_ neck ring. He looks exhausted, miserable. _

_ Stoick crosses to the bow as the ship pushes off and joins _

_ the amassed armada of ships adrift in the harbor. _

**_ Stoick's brow is furrowed, all warmth drained away. He

turns_**

**_ west and glares at the horizon with cold

STOICK

Set sail! We head for Helheim's

_ Gate._

Hiccup and Astrid walked back into the room, followed by their dragons. Astrid was holding Hiccup's hand tightly as they sat down. Val wrapped an arm tightly around her son, and Toothless placed his head on Hiccup's lap.

**_ He then notices HICCUP watching from his familiar

** STOICK (CONT'D)**

_ Lead us home, Devil._

Hiccup clenched his fists.

"He's not a devil. I can think of one person who's the devil on that ship." he said angrily. Stoick scowled.

_ It's a mess._

_ Hiccup doesn't respond._

**** ASTRID (CONT'D)****

_ You must feel horrible. You've lost_

**** HICCUP****

_ Thank you for summing that up._

Hiccup smiled at Astrid, silently thanking her. She smiled back.

**** HICCUP (CONT'D)****

****_ (BEAT)_****

_ So why didn't you?_

****_ Hiccup just shakes his head - he really doesn't know._****

****_ Astrid's eyes glimmer. She wants something._****

**** ASTRID (CONT'D)****

_ Why didn't you?_

****HICCUP****

_ I don't know. I couldn't._

****ASTRID****

_ That's not an answer._

**** HICCUP****

****_ (BECOMING IRATE)_****

_ Why is this so important to you all_
_ of a sudden?_

****ASTRID****

Because I want to remember what you

_ say right now._

****HICCUP****

****_ (angry, loud)_****

Oh for the love of - I was a

_ coward! I was weak. I wouldn't kill_

_ a dragon._

Hiccup snorted. He had been so excited when he found Toothless, tied and flightless. His father would have welcomed him home with open arms. Instead, Hiccup and the most deadly dragon in the world became best friends.

**** ASTRID****

_ You said 'wouldn't' that time._

****HICCUP****

****_ (BLOWS UP)_****

Whatever! I wouldn't! Three hundred

_ years and I'm the first Viking who_

_ wouldn't kill a dragon!_

****_ A BEAT._****

****ASTRID****

_ First to ride one, though._

Hiccup perked up at that. A few of the smaller Terrible Terrors crawled into his lap, and curled up there. Hiccup smiled and put his arm around Astrid, and pulled her close. She put her head on his shoulder.

****_ Hiccup blinks. He never looked at it that way before._****

**** ASTRID (CONT'D)****

_ So..._

**** HICCUP****

****_ (REALIZING)_****

_ ...I wouldn't kill him because he_

_ looked as frightened as I was._

****_ (BEAT)_****

_ I looked at him and I saw myself._

Fishlegs gasped quietly. Finally, he got it. Hiccup, and his dragon were the perfect match, because the Night Fury was the last of its kind, and didn't fit in anywhere, while Hiccup was different from everyone in the tribe, so he felt like he didn't belong. Hiccup fed, and cared for Toothless, and Toothless gave Hiccup the love and comfort that he always craved. No one would have been able to help Toothless with his disablement besides Hiccup. It seemed like fate had brought the two together. The blacksmith's apprentice, and the last Night Fury.

_ Astrid turns to face the open sea._

ASTRID

_ I bet he's really frightened now._

_ (PROVOKING)_

_ What are you going to do about it?_

_ Beat._

** HICCUP**

_ Probably something stupid._

ASTRID

_ Good. But you've already done that._

Astrid smirked and nodded, agreeing with her future self. Hiccup frowned good-naturedly.

_ Another beat._

** HICCUP**

_ Then something crazy._

_ Astrid smiles._

ASTRID

_ That's more like it._

Fishlegs was determined to make peace with Hiccup as soon as he could, because he hind of really wanted a dragon of his own.

****This is what happened between Astrid and Hiccup when he ran out of the hall.****

****Disclaimer: I don't own HTTYD****

****Hiccup POV****

Hiccup ran out of the Main Hall, the tears falling from his eyes. How could his father say those things to him? Hiccup collapsed on the ground outside the courtyard, and almost instantly felt something warm and large wrap around him. He looked up into the dark green eyes of his best friend. Hiccup hugged Toothless tightly, burying his face in his side.

"I hate him." Hiccup said, and he heard footsteps behind him.
>"I'm so sorry, Hiccup." Astrid said, kneeling down next to him, and putting her arms around him, and he put his head on her into her, and Toothless and Midnight pulled the two closer to them, wrapping their tails around them.<p>

"Why did I have to shoot Toothless down? Why was I so bent on impressing my father?" Hiccup asked Astrid.

"Because you're the heir to Berk. You thought it was your duty." she said. Hiccup groaned.

"I can't believe this. I disabled my best friend, and it wasn't even for a good thing. I should have never tried to impress my father. It got me nowhere." he said, more tears streaming from his eyes, "It's all my fault. I can't believe I have to finish watching this awful movie. I can't believe I have to stay in there with him. Why can't he go away, leaving me and Mom? Why can't he leave me alone?" Hiccup put his hands over his face, and his shoulders shook.

"Listen to me, Hiccup. I know that you hate Stoick right now, and I completely understand, but think about it this way: If you hadn't been so hell-bent on impressing him, you and Toothless would have never met, and you would have never changed my mind on dragons. Imagine if you had killed Toothless on sight. Imagine if you had never met your best friend." Astrid said, and Hiccup looked up at her, and smiled.

"I guess you're right." he said, and she smiled back.

"I always am. Now, I advise you to do this: Don't speak to Stoick. If he tries to talk to you, respond in the most civilized manner you can. Show him you don't care. Show him where you belong. You belong among the dragons, and with your mother. You've found a new family, with Toothless, Val, Cloudjumper, Midnight, and me." Astrid said fiercely, hugging Hiccup tightly.

"Good idea. When should we go back in?" he asked, and Astrid shrugged. After a few more minutes outside, curled up with the

dragons, the two teens walked back into the Main Hall. Astrid gripped Hiccup's hand tightly as they made their way through the dragons lying on the floor, all who looked up at Hiccup with eyes full of concern. They sat in front, and Val wrapped her arms around Hiccup, and Toothless put his head in his best friend, and brother's lap. Hiccup noticed that some people were missing though.
>"Where's..." a voice cut him off, but judging by the lack of response, it was only in his head.<p>

"If you're looking for your older self, and Eret, they've gone back to their own time. You'll see them soon, however. They needed to get back to Berk." a voice he recognized as Enchantress' spoke in his head. His worries gone, Hiccup leaned back against Cloudjumper, and put his arm around Astrid.

The screen faded to black, and Enchantress appeared in the room.

"I would like all the teens, including Astrid and Hiccup, to please follow me." she said, and the six teens followed her out of the room, with Toothless and Midnight trailing behind them. Enchantress led them to a separate room, where gathered there, was a Monstrous Nightmare, a Hideous Zippleback, and a Gronkle. With a nod to Hiccup and Astrid, Enchantress disappeared. Hiccup took a deep breath and turned to the other teens.

"Do you all want to learn how to ride dragons?" he asked, and there was a slight pause.

"I would." Fishlegs said, stepping forward. He was followed by the Twins, and then by Snotlout. Hiccup spent a few minutes thinking over each of the teens' personalities, then grinned.

"Alright. Fishlegs, you will be paired with the Gronkle, Twins, you're with the Zippleback, and Snotlout, you've got the Nightmare. First, you need to create a bond with your new dragon." Hiccup said, and helped the teens put their hands over the dragons' snouts, creating a bond.

"Now, you've gained their trust, you can name them." Hiccup said. Fishlegs looked over his new friend, and choose to name her "Meatlug". The Twins decided to name their dragon Barf and Belch, after their gas and sparks. Snotlout called his Nightmare Hookfang. After all this happened, saddles appeared on the backs of the new dragons, and Hiccup grinned.

"Who want's to ride their dragon?" he asked his new friends.

After finally getting to get their dragons, the Teens learned how to ride them. It all went very smoothly, except for Snotlout's butt flaming up on a couple occasion. Right before a bunch of adults were going to go after them, the six teens walked into the room, five of them laughing at Snotlout's smoking buttocks. The latter was rubbing it, but grinning. Okay. Heavily armored skull and

_ tail made for bashing and crushing._

_ (MORE)_

** FISHLEGS (CONT'D)**

Steer clear of both. Small eyes,

_ large nostrils. Relies on hearing_

_ and smell._

"So if we can find it's blind spot..." Hiccup mused.

"We can get it confused, and we can beat it!" Fishlegs finished, grinning. Hiccup smiled back.

HICCUP

Okay. Lout, Legs, hang in its blind

_ spot. Make some noise, keep it_

_ confused. Ruff, Tuff, find out if_

_ it has a shot limit. Make it mad._

_ RUFFNUT_

_ That's my specialty._

_ TUFFNUT_

_ Since when? Everyone knows I'm_

_ more irritating. See._

The Twins grinned, but the other teens just rolled their eyes.

"Honestly?" Fishlegs asked, exasperated.

_ (IRRITATING SOUNDS)_

HICCUP

_ (EXASPERATED)_

Just do what I told you. I'll be

_ back as soon as I can._

TUFFNUT

_ Don't worry, we got it covered!_

_ FISHLEGS_

_ Yeah!_

"Please stay safe." Hiccup muttered hopefully.

_ Hiccup and Astrid peel away. The teens bank and dive toward_

_ the monster, splitting up. The Twins race alongside the_

_ monster's head, taunting it._

TUFFNUT

_ Troll!_

RUFFNUT

_ Butt Elf!_

TUFFNUT

_ Bride of Grendel!_

_ The Red Death unloads a spray of fire at the twins. They_

_ barely dodge it._

**_ Fishlegs and Snotlout hang behind its eyes, banging away

at_**

_ their shields, making a racket._

_ The Red Death opens all SIX of its eyes, spotting them._

FISHLEGS

Uh, this thing doesn't have a blind

_ spot._

_ ON HICCUP AND ASTRID_

_ ... searching for Toothless. Hiccup spots him among the_

_ burning ships._

HICCUP

_ There!_

Hiccup stiffened at the sight of his friend in chains.

"I'm so sorry, bud." he whispered, petting the large dragon's head lightly. Toothless crooned comfortingly.

_ He steers the Nadder over the deck and hands Astrid the_

_ reins. He lines up his jump... and hops off, guarding his_

_ face from the flames. He lands on the burning deck._

** HICCUP (CONT'D)**

_ (TO ASTRID)_

_ Go help the others!_

_ She and the Nadder take off._

_ As Hiccup fights his way to Toothless. He unbuckles the_

_ muzzle. Toothless shrieks._

** HICCUP (CONT'D)**

_ Okay, hold on. Hold on._

_ He gets to work on the chains_

_ ON SNOTLOUT AND FISHLEGS_

_ They clang their weapons against their shields, making the_

_ monster wince._

SNOTLOUT

_ It's working._

"YOU'RE ON DRAGONS!" Vall suddenly yelled, and they all gasped.

"Oh Thor." Astrid said softly.

**_ The huge beast starts to sway its head
dizzily._**

FISHLEGS

_ Yeah! It's working._

_ PAN DOWN to reveal that the noise is also confusing the_

**_ Gronckle and the Monstrous Nightmare. Both dragons lose
their_**

_ bearings._

**_ The Red Death thrashes, knocking Snotlout off of his
dragon_**

**_ and onto the monster's gigantic head. Snotlout bounces
across_**

_ the top and comes to a stop just shy of the hundred foot_

_ drop._

SNOTLOUT

_ Agghh!_

**_ Fishlegs' Gronckle goes down in a spin of
confusion._**

FISHLEGS

_ I've lost power on the Gronckle._

_ Snotlout! Do something!_

"Remember: You do not have power over anything. Meatlug is simply
confused because of all the banging." Hiccup said, and Fishlegs
nodded, then laughed as Meatlug licked his face.

**_ He hurls Snotlout his hammer. The Gronckle crashes and
skids_**

_ to a stop..._

** FISHLEGS (CONT'D)**

_ I'm okay!_

_ ... then flips over, crushing Fishlegs._

** FISHLEGS (CONT'D)**

_ (FEEBLE)_

_ Less okay._

Snotlout and the Twins snorted.

_ BACK TO SNOTLOUT_

_ ... who eyes the Red Death's gigantic, veiny eyes. He raises_

_ the hammer.._

SNOTLOUT

_ I can't miss!_

_ ... and hammers the monster's eyes, playing whack-a-mole._

** SNOTLOUT (CONT'D)**

What's wrong buddy, got something

_ in your eye?_

"What a great line!" Astrid said sarcastically, and four out of the five other teens laughed. Snotlout just shrugged.

_ Astrid flies by on her Nadder, catching Snotlout in all his_

_ heroics._

ASTRID

_ Yeah! You're the Viking!_

_ Snotlout grins, finally vindicated in her eyes. In his_

_ distraction, he gets thrown and lands heavily on one of the_

_ Red Death's spines - clinging precariously. A close call._

SNOTLOUT

_ Whoa!_

_ ON THE GROUND_

_ The monster's tail sweeps across the burning ships, snapping_

_ masts like twigs. We follow one down as it crashes onto a_

_ deck, revealing..._

HICCUP

_ Working at the chains. He can't budge them. Fire licks at his_

_ clothes. He looks up to see..._

_ THE RED DEATH blasting at the teens, enraged._

_ The monster's giant foot crashes through frame, smashing the_

_ bow under its impressive weight._

_ Hiccup and Toothless are thrown into the water in a maelstrom_

_ of burning planks and rigging._

"No." Astrid whispered, and she gripped Hiccup's hand tightly. Midnight curled up next to Toothless, and he curled around her, crooning softly.

_ UNDERWATER_

_ Hiccup swims toward Toothless. They're both caught in a mess_

_ of rigging, being dragged down. The heavy palette settles_

_ into the rocky bottom like an anchor. Toothless has stopped_

_ struggling. Hiccup takes one more hopeless tug at the chains _

_ he's almost out of air._

Astrid crushed Hiccup's hand with pressure, terrified.

_ Suddenly, a meaty hand grabs Hiccup._

_ STOICK explodes to the surface, pulling Hiccup to the_

_ shoreline through flaming debris. He lays him down, under the_

_ shelter of an overhanging rock._

HICCUP

_ (OVERWHELMED)_

_ Dad..._

_ Stoick dives back into the water between flaming flotsam._

_ UNDERWATER_

_ ON TOOTHLESS, drowning. Stoick appears in front of him._

_ Toothless freezes. Stoick tears the chains off of the yoke_

_ and lets it float free._

_ Momentary stillness. They eye each other, through the churned_

_ up bubbles. Toothless lunges out of the bars - grabbing_

_ Stoick._

_ BOOM! In an explosion of sea water, Toothless lands on the_

_ shore, setting Stoick down and releasing him. Hiccup is awed._

_ The ground rumbles underfoot. The monster screeches. Its_

_ massive claws stomp around in the smoke._

Astrid breathed a sigh of relief, and let go of Hiccup's hand, and he massaged it.

"Geez woman. That hurt." he moaned, and Astrid rolled her eyes.

"Oh grow up." she said.

_ Stoick gives way as Toothless mounts the rock and raises his_

_ wings. He turns to Hiccup and SNORTS - 'Let's go.'_

** HICCUP (CONT'D)**

_ You got it, bud._

"Oh yeah." Hiccup said, grinning.

_ Hiccup climbs onto Toothless and buckles himself in._

_ Stoick grabs his arm._

STOICK

_ Hiccup. I'm sorry...for_

_ everything._

HICCUP

_ Yeah...me too._

STOICK

_ You don't have to go up there._

HICCUP

We're Vikings. It's an occupational
_ hazard._

_ They exchange smiles._

STOICK

I'm proud to call you my son.

Stoick looked hopefully at his son, but Hiccup didn't spare him a glance. The chief sighed.

"How would you feel if your father took you back after you trained dragons, and are trying to save your family." Gobber said to his friend. Stoick nodded, understanding.

_ Hiccup beams, taken aback._

HICCUP

_ Thanks dad._

_ Stoick lets go of Hiccup's arm._

_ Hiccup spurs Toothless on, charged with his father's belief_

_ in him. They rocket into the sky as Stoick watches._

_ IN THE AIR_

_ Astrid sees Toothless streaking through the sky, gaining_

_ altitude._

ASTRID

_ He's up!_

_ She turns to Ruffnut and Tuffnut, who are ARGUING and_

_ THROWING PUNCHES at each other._

** ASTRID (CONT'D)**

_ Get Snotlout out of there!_

_ IN MID-PUNCH, the twins look over to see Snotlout stranded on_

_ the monster's head. They eye each other._

** TUFFNUT/RUFFNUT**

_ I'm on it! I'm on it!_

TUFFNUT

_ I'm on it first! I'm ahead of you._

_ The twins spot Snotlout on the giant dragon and steer their_

_ Zippleback in his direction._

RUFFNUT

_ Hey! Let me drive!_

Hiccup pinched the bridge of his nose.

"Guys? Same dragon." he said, and Ruff and Tuff smiled sheepishly.

_ The twins peel off, ARGUING as they race each other to the_

_ monster._

_ Snotlout sees the Zippleback diving toward him and DASHES_

_ down the Red Death's head. He runs up the end of its horn..._

_ As the twins sweep past, both missing him... but perfectly_

_ snatching him where the necks merge. Ruff and Tuff eye each_

_ other, surprised and impressed._

TUFFNUT

_ I can't believe that worked._

"Nice." Hiccup said, surprised that the Twins worked together.

_ The Red Death spots Astrid and INHALES, preparing to blast._

_ She and her Nadder get caught in the suction, pulled toward_

_ the monster's gaping mouth._

"No!" Now it was Hiccup who was gripping Astrid's hand.

_ ON THE GROUND_

_ The Vikings watch with dread. They hear the familiar whir of_

_ the..._

GOBBER

_ Night Fury! Get down!_

"Oh please." Astrid said, shaking her head.

****_ IN THE AIR_****

_ The Vikings shield themselves from the dust of the fallen_

_ IN THE AIR_

_ Hiccup looks back as they put distance between them._

** HICCUP (CONT'D)**

_ Do you think that did it?_

_ Suddenly, the enraged behemoth RISES into frame... flapping_

_ its wings furiously. A daunting sight._

** HICCUP (CONT'D)**

_ Well, he can fly._

"I think it's a "she", Hic." Astrid giggled. Hiccup rolled his eyes.

"I didn't really want to check, Astrid." he said, and the other Teens shivered.

"Gross." The Twins said.

_ Hiccup and Toothless DIVE into the tangled sea stacks - they_

_ weave through the rock like rabbits through a briar. The Red_

_ Death SNAPS at them, but cannot reach them. Hiccup and_

_ Toothless PULL AHEAD._

_ The Red Death SMASHES through the canopy of rock and pulls in_

_ Toothless PULLS into a steep climb, heading toward the_

** HICCUP (CONT'D)**

_ Come on bud!_

_ The Red Death follows, closing in fast._

** HICCUP (CONT'D)**

_ (hearing the gas)_

_ Here it comes!_

"Watch out!" Astrid screamed, and Hiccup hugged her tighter.

"Calm down! We'll be fine." he said, rubbing her back.

**_ BLAST! They narrowly dodge a column of flame and smoke.
They_**

_ reach the low-hanging clouds and pierce them. The monster_

**_ follows, immediately losing them in the hampered
visibility._**

_ It roars irritably._

_ From out of nowhere, Toothless DIVES at the huge dragon,_

_ BLASTING and PUNCTURING a hole in its wing. Toothless and_

_ Hiccup are gone again before the dragon can get a shot at_

_ them._

_ ON THE GROUND_

**_ The Vikings stare up at the sky listening to the
resounding_**

_ BOOMS and watching FLASHES light up the clouds._

"Cool." Fishlegs said quietly.

_ Gobber places a hand on Stoick's shoulder._

_ IN THE AIR_

_ HICCUP and TOOTHLESS dive in again and again, using the_

**_ clouds to hide and surprise as they puncture the
monster's_**

_ wings._

_ It BELLOWS in frustration and WHIRLS around, unleashing fire_

_ blindly, in all directions._

_ Hiccup sees the glow of fire cutting towards them._

** HICCUP (CONT'D)**

_ Watch out!_

_ The random blast CLIPS Toothless' tail. It's heavily damaged._

"No." Stoick whispered, gripping the arms of his chair. Little did he know Val was doing the same thing, with tears in her eyes.

** HICCUP (CONT'D)**

_ Okay, time's up. Let's see if this_

_ works._

_ He pulls Toothless into a turn. They fly directly into the_

_ Red Death's face, taunting it._

** HICCUP (CONT'D)**

_ Come on! Is that the best you can_

_ do!?!_

"Nice taunting." Ruff said happily.

_ Toothless utters an insult too, and they jackknife into a_

_ steep dive. The Red Death pursues._

_ Toothless PUMPS his wings, racing faster than he's ever gone_

_ before. Hiccup and Toothless stay just ahead of the Red Death_

_ - no longer trying to evade it._

_ Hiccup glances back to check the tail - it's disintegrating._

"Oh no." Snotlout whispered, clenching his fists. His cousin can't die. That's not like him. He's Hiccup! The son of the chief, the one who takes everything and gives nothing back. The one who keeps coming back from everything. He can't die. Not like that.

** HICCUP (CONT'D)**

_ Stay with me buddy. We're good._

_ Just a little bit longer._

_ The Red Death closes the gap. Hiccup tucks in and holds_

_ Toothless steady - allowing the monster to set its sights on_

_ them. It narrows its eyes._

** HICCUP (CONT'D)**

_ Hold, Toothless._

Astrid smiled suddenly.

"I get it!" she said, "What happened with the little Terrible Terror, you're doing it to her, except on a much bigger scale!" Hiccup smiled back and nodded.

"Of course." he said.

_ The Red Death OPENS his mouth. The familiar gas HISS emanates_

_ from his throat - ignition is coming._

** HICCUP (CONT'D)**

_ NOW!_

_ Hiccup HITS the PEDALS HARD as Toothless extends one wing._

_ They PIVOT in place, hurtling directly into the Red Death's_

_ mouth._

_ Toothless FIRES point blank down the monster's throat. Its_

_ amassing gas is ignited, BACKFIRING into the monster,_

_ erupting in a chain of blasts throughout its body._

_ Hiccup and Toothless BURST from the clouds, the Red Death hot_

_ on their tail, exploding from within. It glances forward and_

_ sees the ground rushing up. It throws open its wings,_

_ attempting to put on the brakes, but the punctured, damaged_

_ wings can't stop its momentum._

**_ As the Red Death chokes on the expanding fireball, he

sees_**

**_ Toothless suddenly pull out of the dive, streaking up,
past_**

_ its head._

"Nonononononono." Astrid and Val kept repeating under their breath,
along with Stoick.

**_ The Red Death HITS the ground, head-first. It EXPLODES
like_**

_ the Hindenburg._

**_ Hiccup and Toothless weave through the monster's massive
back_**

_ plates, wings, and flailing legs - a high-speed recall of_

**_ the FREE FALL slalom run. The expanding fireball races
toward_**

_ them, about to swallow them._

_ They manage to clear the obstacles. Hiccup glances back._

_ They're outrunning the fireball._

The three frantic Vikings took a deep breath, but their relief was
short lived.

**_ He looks forward just in time to see the monster's
massive_**

_ club tail careening toward them._

_ He tries to shift their direction. The last shreds of_

_ Toothless' tail tear away. Hiccup's pedals go DEAD._

** HICCUP (CONT'D)**

_ No. No._

_ Hiccup and Toothless can't maneuver - they're dead in the_

**_ air. The giant club tail CLIPS Toothless, TEARING Hiccup
from_**

**_ the harness and sending him tumbling against the backdrop
of_**

_ the fast-approaching fireball._

_ Toothless STRUGGLES with all his might to reach the_

**_ unconscious Hiccup. But the fireball swallows them
both._**

"NO!" Astrid screamed, and she began to cry. Hiccup held her tightly, trying to reassure her that he was still there. She paid no heed, and cried uncontrollably into his shoulder. Val wrapped her arms around her son from behind and clutched him tightly, tears streaming down her face. Toothless placed his head in Hiccup's lap, and curled around the three, along with and Tuff stared at the screen in shock, and Tuff put his arm around his sister, and Barf and Belch put their head on the Twin's shoulders. Meatlug curled around Fishlegs as tears fell from his eyes. As for Snotlout, he was, yes, crying. His head was in his hands, and his shoulders were shaking uncontrollably. Hookfang curled around the distraught rider, and nudged him comfortingly. And with Stoick? The great chief had finally broken. He had only broken one other time in his life, and that was when his wife had been taken away from him. This was much harder. Stoick was shaking, and tears kept falling and falling from his eyes. Gobber put an arm around his best friend, tears shimmering in his own eyes.

_ ON THE GROUND_

_ The Vikings watch in horror as Hiccup and Toothless disappear_

_ into the boiling inferno._

_ DISSOLVE TO:_

_ A whiteout of ash. And through it comes..._

** STOICK**

_ Hiccup? Hiccup!?!_

_ Stoick appears, searching desperately. Everything is_

_ scorched. Even the ground is smoking from the terrible heat._

** STOICK (CONT'D)**

_ Hiccup!? Son!?!_

_ Through the ash, Stoick the motionless silhouette of_

_ Toothless._

** STOICK (CONT'D)**

_ (GRAVE)_

_ Hiccup._

_ He hurries to the dragon's side. Toothless is roughed up, but_

_ conscious. His scorched saddle, however, is vacant._

_ Stoick looks to the sky in despair. He buckles at the knees,_

_ overwhelmed by the loss._

Hiccup smiled sadly.

"You're okay." he whispered, stroking his friend's head.

** STOICK (CONT'D)**

_ Oh son...I did this..._

_ Astrid pushes through the crowd, her eyes welling up._

_ Followed by Gobber. They flank Stoick as he kneels, slumped_

_ over._

_ Behind them, a ring of Vikings form, keeping a respectful_

_ distance. As the dust and smoke clear, a ring of wild_

_ dragons can also be seen, gathering just behind and between_

_ the Vikings._

Astrid looked up to the screen, her eyes red and wet with tears,

_ Toothless stirs and groggily rolls his head toward Stoick._

_ Their eyes meet._

** STOICK (CONT'D)**

_ I'm so sorry..._

_ Toothless unfolds his wings, revealing Hiccup, unconscious,_

_ clutched safely against his chest. Stoick's eyes widen._

Many of the people gathered there gasped, but were skeptical. hiccup, on the other hand, was staring at his father. If Toothless trusted his father enough to reveal himself, then maybe Stoick had taken back what he had said, truly.

** STOICK (CONT'D)**

_ Hiccup._

_ He scoops Hiccup into his arms. Listens to his heart. Bursts_

_ into relieved laughter._

** STOICK (CONT'D)**

_ He's alive!_

Astrid hugged Hiccup tightly, then punched his arm.

"That's for scaring me." she said angrily. Hiccup rolled his eyes and grinned as his mother hugged him tightly.

_ (TO TOOTHLESS)_

_ You brought him back alive!_

_ The crowd roars. Followed by the dragons. The Vikings look_

_ around to find themselves surrounded._

_ Stoick leans close to Toothless, meeting him eye to eye._

** STOICK (CONT'D)**

_ (PRIVATELY)_

_ Thank you... for saving my son._

_ Gobber looks Hiccup up and down._

** GOBBER**

_ Well, you know... most of him._

_ Stoick glances back at him. Gobber shrugs, redirecting his_

_ eyes toward..._

"Wait? What happened?" Stoick asked, and many people agreed with him.

"What did Gobber mean?" Astrid asked, concerned.

With the tension in the room about to burst, the final scene began.

_INT. STOICK'S HOUSE - _

__You're in my house.__

"Excellent powers of observation, Detective Hiccup. Anything else to deduce?" Tuffnut said, pretending to hold a pipe. Hiccup rolled his eyes.

>"Yes. I deduce that you are an idiot." he retorted, and the Teens laughed.<p>

Toothless TEARS around the room, knocking things over, far**_ too big for the space._**

"Oh my Thor." Val said, putting a hand over her mouth. Astrid and the
others gaped at the screen, and Hiccup's eyes widened as he looked
down at his best friend.
>"We're two peas of a pod now, bud." he whispered, and Toothless gave
him a gummy grin.<p>

Toothless lands by the bed and approaches calmly, sniffing**_
the new leg. He raises his eyes to meet Hiccup's, seemingly_****_

Tuffnut snickered.

"Just like in the first scene!" he said, and the others
nodded.

Hiccup YELPS and slams the door closed. He turns to**_
Toothless, alarmed._**

HICCUP (CONT'D)

Toothless? Stay here, bud.

Hiccup pauses... and cracks the door open again. He peeks**_
outside, his eyes widening. He allows the door to swing open,_****_
revealing..._****_ ... the Monstrous Nightmare, carrying Snotlout on
its back._**

SNOTLOUT

_Come on guys, get ready! Hold on___ tight! Here we go!_

Hiccup gaped at the screen. He was shocked that they were riding their dragons in public. Unless...

A class of newbie dragon riders follow him through frame on a**_ variety of dragons, pulling back the curtain on an amazing_****_ vista in which:_****_ Vikings and dragons mill about by the dozen, basking on the_****_ rooftops, weaving along the plaza. No one seems upset, there_****_ isn't a sword in sight._****_ Under the framework of a MASSIVE BARN, a Nadder BLASTS fire_****_ onto a metal brace. It steps back to let a Viking hammer it_****_ into shape. Nearby, a Gronkle lands, carrying a tree trunk in_****_ his mouth. He shows a Viking what he's found. The Viking pats_****_ his head. Another Viking backs a Zippleback into a stall to_*****_ check it for_ size.****

Many of the Vikings were shocked.
>"No way." Fishlegs said, grinning.<p>

Hiccup takes a step outside, finding Stoick waiting for him**_ on the step._**

HICCUP

I knew it. I'm dead.

Stoick laughs.

STOICK

No, but you gave it your best shot.

He puts his arm around Hiccup, steadying him. He gestures to**_ the transformed village._**

STOICK (CONT'D)

__So? What do you think?__

Hiccup looked from his father, to the movie screen, then back to his father, gaping the entire time. Stoick smiled slowly.

Hiccup just shrugs, amazed.**_ Below, the plaza, villagers take notice._**

VIKING #1_ Hey look! It's Hiccup!_

They rush over, surrounding him with a hero's welcome.

** VIKING #2**_ Hiccup, how you doin' mate?_

STOICK**_ (SWEETLY)_**

_Turns out all we needed was a__ little more of..._

"That's... awesome!" Hiccup said, grinning happily. Stoick looked at his happy son hopefully. Hiccup turned his gaze back to his father, and this time it wasn't full of hate, and hurt. It was a look full of love and forgiveness. Behind him, Val smiled at him, nodding her head. For Stoick, it was the greatest moment of his life. His family had forgiven him. Then Toothless looked up at the chief, and gave him a gummy grin, which Stoick gladly returned(except, you know, with teeth.)

Hey Everybody!

Please** Enjoy!**

**Disclaimer: I don't own any HTTYD characters, as you may well
know.**

Neutral POV

Enchantress looked around the room.

"I can give each of you a choice: Go back to your normal lives, and
you remember everything, or you can stay here, and find out what
happens even further into the future. A simple warning, however:It
may change your lives forever." she said, and the Viking each looked
around the room. Hiccup looked at his family and friends, then at
Toothless. The Night Fury nodded.

"I want to stay, and so does Toothless." he said, and Astrid looked
at him..

"If you're staying, then so are Midnight and I." she said, and it
ended up with all the Vikings staying to see further into the
future.

"Very well then. I am going to bring a few more people in here, so
they can watch the next movie as well. No one freak out. By the way,
you already know two of them." Enchantress said, and she snapped her
fingers. Where she used to be, there were now seven people, and six
dragons. The person in the front grinned at them all.

"Sup, guys?" Older Hiccup asked.

21. Thank You

****Hey Everybody!****

****I just want to say thank you to all of my reviewers, and all of my followers.**

>Without you, this story wouldn't have happened. So the sequel is going to be

**>called How To Watch A Movie 2(Of Course!). The Vikings wil NOT be watching
the show, but they will watch the second movie, so I think you can guess who**

>the other six people and the dragons are!

****I love all of you, and I am so grateful to all of you.****

22. Author's Note 2

****Hey Everybody!****

****As an extra part of my previous author's note, I want to say I cannot do a sequel until they release the script for HTTYD 2. So sorry!**

23. Chapter 23

****Here's the awaited sequel!****

****Hope you all enjoy it!****

****All of the older people will have "Older" in front of their names, except for the twins. The younger are Ruff and Tuff, and the older are Ruffnut and Tuffnut. That goes for that dragons too. Since Astrid got Midnight during the movie, Older Astrid is going to have Stormfly. The Teens from the first movie are still going to be referred to as that. The older ones are going to be the Older Teens. You get the gist.****

****Disclaimer: I own nothing from HTTYD or HTTYD 2****

****Chapter One****

Older Hiccup grinned at the people gathered.

"Sup guys?" he said. The Teens grinned back, then gasped.

"Oh. My. Thor." Astrid said, her jaw hanging open. Standing in front of her was an older version of herself. Her hair was longer, her face was tanner, and her eyes were darker, but it was definitely her. The only thing that didn't make sense was that there was a Deadly Nadder next to her older self.

"Who's that?" she asked, confused. Older Astrid raised an eyebrow.

"This is Stormfly, my dragon. Hiccup, what in Odin's name is going on?" she asked, turning to the darker-haired boy.

"Well, we're kind of looking at ourselves from the past. They've come from right after our first flight, if you even remember that, Astrid." Older Hiccup said, grinning and wagging his eyebrows.

"Of course I do!" Older Astrid said, punching his arm.

"HOLD UP!" Ruffnut said, and she pointed to Stoick, who was watching, wide-eyed, with his hands on his son's and wife's shoulders. Older Toothless let out a small whimper, and hid behind Older Hiccup, who patted his head gently.

"How is that possible?" Older Fishlegs muttered. Tuffnut was about to say something when Hiccup extracted himself from under his father's hand, and he slowly walked forward towards his older self, and the older version of his best friend.

"So... this is Toothless in, what? Five years? he asked, and Older Hiccup nodded.

"You know that the two of us are the same age, right? We grew up at the same rate." he said, and Hiccup stared at him with wide eyes. Toothless walked up behind him, and stared at his older self. Older Toothless and him slowly approached each other, sniffing cautiously, and nudging each other. The other Teen's dragons did the same with their older counterparts, except for Stormfly and Midnight.

"Is that... us?" Ruff asked, staring at herself. The others did the same.

"Wow. I forgot how scrawny you were at that age, Hiccup!" Older Snotlout said, snickering. Both Hiccups glared at him. Astrid looked around the room.

"Where's the older version of Midnight?" she asked Older Hiccup, worried. She was terrified that her dragon had been killed, causing her to find another dragon.

"Who's Midnight?" Tuffnut asked. Astrid glared at him.

"My dragon, idiot!" she said, crossing her arms. All of the older

teens stared at the younger Viking girl as if she was crazy, except for Older Hiccup. He looked at his friends with a pained expression on his face.

"Aren't you talking about Stormfly?" Older Snotlout asked, and Astrid looked at him, confused.

"Who's Stormfly?" she asked, and the Deadly Nadder slowly came forward, cautiously sniffing at the girl. Midnight lept in front of Astrid, growling lowly.

"Oh my gosh. Another Night Fury?" Older Fishlegs said, gaping at the blue dragon. Toothless went back from the two Hiccups, and stood next to Midnight, mimicking her growl.

"Who's that?" Older Ruffnut asked, and Astrid sighed, pinching the bridge of her nose.

"This is Midnight." she said simply. Older Astrid looked at the Night Fury, highly confused, until Fishlegs snapped his fingers.

"Because Enchantress brought us here, that changed our future, but since we haven't been released, those aspects of our future selves have gone on, and Astrid's future self apparently got a Deadly Nadder, because that Astrid never met Midnight!" he exclaimed, and Hiccup grinned at his larger friend.

"Of course!" he said. Astrid looked downcast that her future self hadn't met Midnight yet.

24. Chapter 24

****Hi everybody!****

****Alright, so I know that a ton of you are waiting for the sequel, and that's awesome. I just wanted to tell you all that I may not be able to get to it yet, because I'm working on other stories, as most of you know. I'm so happy that so many of you liked this story, and want a sequel. I promise I won't let you down.****

****Thanks for understanding!****

****Love,****
